**Re: *Anwar, et al. v. Fairfield Greenwich Limited, et al.,
 09-cv-118(VM)(THK)***

Dear Judge Marrero:

I write on behalf of Plaintiff Headway Investment Corp. with respect to our April 22, 2013 letter to the Court requesting a pre-motion conference to permit Headway's filing of a motion to amend its complaint. Attached as composite Exhibit A to that letter were two declarations from former Standard Chartered employee Sebastian Gonzalez. After we served our letter on all parties, counsel for the Standard Chartered Defendants (the "Bank") contacted us, asking us to contact chambers and request that the clerk not immediately file the declarations, because the Bank intended to designate them "confidential," pursuant to the February 4, 2011 Stipulation and Order Governing Confidentiality of Discovery Material (the "Confidentiality Order"). The declarations are not confidential. Headway objects to and opposes the Bank's attempt to designate them confidential. That said, we advised the Bank's counsel that Headway would agree to contact the Court, and by this letter, we request that Exhibit A to Headway's April 22, 2013 letter not be entered into the public record until the parties have briefed the question, and the Court has had a chance to evaluate the Bank's designation request. Headway reserves all rights, including those arising from the Confidentiality Order.

Respectfully submitted,

For Jorge A. Mestre
