Re: Anwar, et al. v. Fairfield Greenwich Limited, et al.
Master File No. 09-CV-00118 (VM) (FM)

Dear Judge Marrero:

We are one of plaintiffs' co-lead counsel in the above Anwar action.

We respectfully request permission to file a motion for entry of an order approving distribution of the GlobeOp Financial Services LLC Net Settlement Fund to Authorized Claimants. The Net Settlement Fund derives from a \$5 million class action settlement that was approved by Your Honor in a November 22, 2013 Final Judgment and Order of Dismissal (ECF No. 1232). The claims administrator, Rust Consulting, Inc., has completed administration of the settlement and with Your Honor's approval, is prepared to distribute the Net Settlement Fund to Authorized Claimants.

As described in the motion, plaintiffs' counsel determined that two investors who had losses otherwise eligible for recoveries are "immediate family members" of the FG Individual Defendants and are therefore excluded from the Class as defined in the Settlement and from the plan of distribution. We have been informed by counsel for the FG Defendants that opposition may be filed to exclusion of these "immediate family members." The remaining defendants (PwC, Citco, and GlobeOp) have informed us that they take no position with respect to entry of the proposed Order for distribution of the Net Settlement Fund.

Respectfully submitted,

Robert C. Finkel
