**DUTY TO AVOID UNNECESSARY EXPENSE OF SERVING A
SUMMONS**

Rule 4 of the Federal Rules of Civil Procedure requires certain defendants to cooperate in saving unnecessary expenses of serving a summons and complaint. A defendant who is located in the United States and who fails to return a signed waiver of service requested by a plaintiff located in the United States will be required to pay the expenses of service, unless the defendant shows good cause for the failure.

“Good cause” does *not* include a belief that the lawsuit is groundless or that it has been brought in an improper venue, or that the court has no jurisdiction over this matter or over the defendant or the defendant’s property.

If the waiver is signed and returned, you can still make these and all other defenses and objections, but you cannot object to the absence of a summons or of service.
