- 6.7 If at the request of the Fund the Custodian agrees to appear in, prosecute or defend any such legal or equitable proceedings, either in the Custodian or the Depositary's own name or in the name of a nominee, the Fund agrees to indemnify the Custodian and/ or the Depositary against damages and expenses (including legal costs) which may be sustained or incurred by the Custodian and/or the Depositary in so acting.
- 6.8 To the extent possible the Depositary shall enable the Custodian to perform these duties on behalf of the Depositary when necessary. Except in the event of willful misfeasance, bad faith, fraud or negligence on the part of the Depositary, the Depositary shall have no liability in connection with these duties.

7 Representations and Warranties of the Fund

- 7.1 The Fund represents and warrants to the Custodian and to the Depositary that it will at all times have full power and authority (corporate and otherwise) to enter into this Agreement and to exercise its rights and perform its obligations under the terms and conditions of this Agreement and any contract in connection therewith or pursuant thereto, and that it has obtained and will maintain all authorisations and consents necessary for it so to enter, exercise rights and perform such obligations, and that such authorisations and consents are and will at all times be in full force and effect. - 8.3 In the absence of wilful misfeasance, fraud, bad faith, negligence or reckless disregard of their obligations and duties hereunder, the Custodian and/or Depositary shall not be liable for any shortfall in the number of securities held by the Custodian on behalf of the Fund.
- 8.4 In particular, in the absence of wilful misfeasance, fraud, bad faith, negligence or reckless disregard of their obligations and duties hereunder, the Custodian and/or Depositary shall not be liable for any losses which may arise howsoever as a result of any of the prices or values for any of the Securities which are provided to or obtained by the Custodian and/or Depositary being provisional, inaccurate, false or misleading.

- 8.5 In the event of any loss to the Fund by reason of the failure of the Custodian or the Depositary to utilise reasonable care (including but not limited to, in connection with the Custodian and the Depositary acting in accordance with Instructions received from the Fund) the Custodian and the Depositary shall be liable to the Fund only to the extent of the Fund's direct damages, to be determined based on the market value of the Securities or other property which is the subject of the loss at the date of discovery of such loss and without reference to any special conditions or circumstances. The Custodian and the Depositary shall have no liability whatsoever for any consequential, special, indirect or speculative loss or damages (including, but not limited to, lost profits) suffered by the Fund in connection with the transactions contemplated hereby and the relationship established hereby even if the Custodian or the Depositary has been advised as to the possibility of the same and regardless of the form of the action.
- 8.6 The Custodian and/or Depositary shall be without liability to, and shall be indemnified by, the Fund for any action taken or omitted by it, whether pursuant to Instructions or otherwise, within the scope hereof if such act or omission was in good faith, without wilful misfeasance, fraud, bad faith, negligence or reckless disregard of their obligations and duties hereunder. In performing its obligations hereunder, the Custodian and/or Depositary may rely on the genuineness of any document, which it believes in good faith to have been validly executed by or on behalf of the Fund.

When the person or body issuing such a duplicate copy requires an indemnity, the Fund agrees to provide to the Custodian or Depositary such counter-indemnity as the Custodian or Depositary may require, unless the loss is due to the Custodian's or Depositary's wilful misfeasance, fraud, bad faith, negligence or reckless disregard.

US Withholding Tax

The Fund will provide to the Custodian the necessary documentation required to open the relevant treaty pool accounts. The Fund shall identify to the Custodian the appropriate treaty pool that the Security should be transacted in.

In the case of US Securities, the income code and exemption code should also be confirmed to the Fund when the corporate action is processed. The date for implementing this and the structure of the SWIFT messages is to be agreed upon between the Fund and the Custodian.

Withholding Tax (Other Jurisdictions)

Corporate event pre-advice and advice will give full details of taxes applicable.

The Custodian will provide assistance in terms of relief at source and reclaim of taxes withheld on income at the request of the Fund. The Custodian will not actively seek tax relief or tax reclaims.

1.5 Disclosure of Beneficial Ownership/Anti-Money Laundering Documentation

In compliance with the US Patriot Act the Custodian will disclose the identity of the Fund on request. Should disclosure of beneficial ownership be required, the Custodian will solicit from the Fund the appropriate information and deliver same to the Security. The Fund will need to provide the Custodian with the completed and authorized documentation prior to the Custodian deadline. In case the Fund cannot or will not disclose the identity of the beneficial owner, the Fund will inform the Custodian accordingly. The Custodian will not be held liable for any penalties imposed by the Security, on securities held by the Custodian, on behalf of our Fund, as a result of non-disclosure.

As regulations change additional requirements may be imposed by regulatory bodies and the Custodian will enforce same.

The Custodian will not be held liable for any loss resulting from lost opportunities if the Custodian does not receive the information on a timely manner from the Security / sub-custodian network.

2 Reconciliation

The Custodian will send each month two statements of holdings to the Fund. The first statement will be sent around the 2nd business day of the month, detailing the Fund's position in each security. The second statement will be sent around the 16th of the month, mentioning both the Fund's position and the latest prices available.

3 Cash movements

Cash movements will be booked through the appropriate account(s) and advised by fax or MT 950 the following day, with good value.

4 Amendments

Any provision of this Agreement may be amended only, if such amendment is in writing and signed by both the Custodian and the Fund.

5 Governing Law and Jurisdiction

This Agreement shall be governed by the laws of the Netherlands. The exclusive place of jurisdiction shall be Amsterdam, The Netherlands.
