Re: **Anwar, et al. v. Fairfield Greenwich Limited, et al.**
Master File No. 09-CV-00118 (VM) (THK)

Dear Judge Marrero:

We write on behalf of plaintiffs to clarify one point raised in Timothy A. Duffy's December 22, 2011 letter to Your Honor regarding the briefing of plaintiffs' motion for class certification.

After receiving the letter, plaintiffs' counsel conferred with Mr. Duffy and confirmed defendants' understanding that under the current framework, defendants are entitled to an opposition brief of up to 40 pages, with plaintiffs' reply up to 20 pages. Accordingly, defendants do not object that if the Court grants additional pages for their opposition, then plaintiffs may be allowed additional pages at the same ratio; that is, a reply which is 50% of the total pages that may be allowed for defendants' opposition.

Respectfully yours,

David A. Barrett
