Re: Anwar v. Fairfield Greenwich
No. 09-cv-118 (S.D.N.Y.)
Standard Chartered Cases

Dear Judge Maas:

I am counsel for the *Maridom* Plaintiffs and am writing as Liaison Counsel for the Standard Chartered Plaintiffs Steering Committee.

This letter is sent pursuant to the Court's August 9, 2012 Order concerning de-designation of documents that Standard Chartered has designated as "Confidential." (DE 913) By the terms of the Order and a subsequent modification (DE 915), the following schedule was established:

Plaintiffs' letter:	August 29, 2012
Defendants' response:	September 7, 2012
Plaintiffs' reply:	September 14, 2012

Because of the threat to Southeast Florida posed by then Tropical Storm Isaac, the Greater Miami area was essentially shut down on Monday. This has made it impossible for my staff to coordinate the copying of the relevant documents on a timely basis. Since the documents are bulky, they need to be provided to the Court by overnight delivery and cannot be faxed.

We have therefore requested the Defendants' consent to a one-day extension. They have agreed, subject to extensions of the other deadlines by three days (because the other deadlines would otherwise fall on a Friday). While this was not our request, we see no prejudice to either party or to the

expeditious progress of this case to modifying our request in accordance with the Defendants' response, and therefore request the following extensions:

Plaintiffs' letter:	August 30, 2012
Defendants' response:	September 10, 2012
Plaintiffs' reply:	September 17, 2012

Approved

We respectfully request these extensions be approved and thank Your Honor for careful consideration of this letter.

Sincerely yours,
