DISCOVERY ORDER

09 Civ. 118 (VM) (FM)

-----X

FRANK MAAS, United States Magistrate Judge.

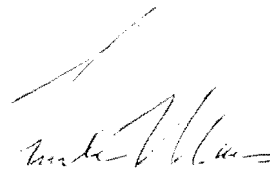

By letter dated October 9, 2012, Mr. Barrett of Boies, Schiller & Flexner LLP has requested a discovery conference concerning certain discovery requests propounded to the Citco Defendants.

The conference will be held on October 16, 2012, at 2 p.m., in **Courtroom 6A**, which is not my usual courtroom.

I recognize that this is relatively short notice. Accordingly, If this date and time are not feasible, counsel should place a conference call to my Chambers to make suitable alternative arrangements. Additionally, counsel for the Citco Defendants is requested to submit any opposition letter to me by the close of business on October 15, 2012.

SO ORDERED.
