- (c) If payment in full in cleared funds in respect of a subscription has not been received by the Relevant Time or in the event of non-clearance, any allotment of Participating Shares made in respect of such application may be cancelled. In such event and notwithstanding cancellation of the application, the Directors may charge the applicant for any expense incurred by it or the Company for any loss to any Fund arising out of such non-receipt or non-clearance.
- (d) The issue or allotment of Participating Shares pursuant to this Article shall be made on the Dealing Day following receipt of the application provided that such application is received, in respect of an application to be made during the Initial Offer Period, before the expiry of such period and, in respect of an application made after the Initial Offer Period no later than the Relevant Time for receipt thereof. If the application is received outside the Relevant Time, it shall be treated as an application for Participating Shares on the next following Dealing Day.
- (e) For the purposes of these Articles:-
 - (i) Participating Shares of the class concerned which have been allotted but not issued on a Dealing Day shall be deemed to be in issue on receipt of payment therefor and/or the original application form and Participating Shares of the class concerned whose allotment has been cancelled and the relevant application monies have not been returned to the applicant on or prior to a Dealing Day shall be deemed to cease to be in issue at the close of business on the day of such cancellation; and
 - (ii) Participating Shares of the class concerned which have been repurchased on a Dealing Day in accordance with Article 20 shall be deemed to have ceased to be in issue at the close of business on the Dealing Day on which they are repurchased.
- (f) Where an amount received for Participating Shares applied for is not an exact multiple of their Offer Price:-
 - (i) where the amount is equal to or greater than .01 of the Offer Price for a Participating Share, a fraction of a Participating Share shall be allotted to the incoming member who shall be registered as the holder of such a fraction; and
 - (ii) where the amount received is less than .01 of the Offer Price for a Participating Share, such amount will not be returned to the applicant but will be payable to the Company in order to defray administration costs.

In addition to the foregoing, the Directors may determine not to return any amount received for Participating Shares which is less than a whole unit or denomination specified by them of any particular currency.

The rights, entitlement and benefits of the holder of a Participating Share under the Articles are granted to a holder of a fraction of a Participating Share in proportion to the fraction of the Participating Share held by him and, except where the context otherwise requires or is otherwise provided herein, reference in these Articles to "Share" shall include a fraction of a Participating Share. Notwithstanding anything contained in the Articles the holder of a fraction of a Participating Share may not exercise any voting rights in respect of such fraction of a Participating Share.

11. Offer/Subscription Price per Participating Share

- (a) The Initial Offer Price per Participating Share at which Participating Shares of any class shall be allotted and issued shall be determined by the Directors.
- (b) Save as provided in paragraph (c), the Subscription Price per Participating Share of any class to be issued subsequent to the Initial Issue(s) following the Initial Offer Period shall be ascertained by:-
 - (i) determining the Net Asset Value of the relevant class of Participating Shares calculated in respect of the Valuation Point for each Dealing Day on which the subscription is to be made under Articles 16 to 19 of these Articles and adding thereto such sum as the Directors may consider represents an appropriate figure for Duties and Charges (if any);
 - (ii) dividing the amount calculated under (a) above by the number of Participating Shares of the Fund in issue or deemed to be in issue at the relevant Valuation Point; and
 - (iii) adjusting the resulting total up to the nearest unit of currency in which such Participating Shares are designated where the amount so determined is equal to or greater than half of the relevant unit or down to the nearest unit where the said amount is less than half of that unit ("unit" for these purpose being the smallest fraction of the relevant currency which is legal tender in the country of issue of that currency).
- (c) Subject to the provisions of the Acts and the Regulations, the Directors on any Dealing Day may issue Participating Shares of any class on terms providing for settlement to be made by the vesting in the Company of any Investments and in connection therewith the following provisions shall apply:-
 - (i) in the case of a person who is not an existing Shareholder no Participating Shares shall be issued until the person concerned shall have completed and delivered to the Company or its duly authorised agent an Application Form as required under these Articles and satisfied all the requirements of the Directors as to the application;

- (ii) the nature of the Investments transferred into the relevant Fund are such as would qualify as Investments of such Fund in accordance with the investment objectives, policies and restrictions of such Fund;
- (iii) no Participating Shares shall be issued until the Investments shall have been vested in the Custodian or any sub-custodian to the Custodian's satisfaction and the Custodian shall be satisfied that the terms of such settlement will not be such as are likely to result in any prejudice to the existing Shareholders of the relevant Fund;
- (iv) any exchange shall be effected upon the terms (including provision for paying any expenses of the exchange and any subscription fee as would have been payable for Participating Shares issued for cash) that the number of Participating Shares issued shall not exceed the number which would have been issued for cash against payment of a sum equal to the value of the Investments concerned calculated in accordance with the principles set out in Article 17(b). Such sum may be increased by such amount as the Directors may consider represents an appropriate provision for Duties and Charges which would be incurred in the acquisition of the Investments by purchase for cash or decreased by such amount as the Directors may consider represents any Duties or Charges to be paid to the relevant Fund as a result of the acceptance of the exchange.

12. Minimum Subscription

The Directors may decline to issue Participating Shares to satisfy any application unless:-

- (a)
 - (i) the amount in value of the Participating Shares to which an application relates equals or exceeds the Minimum Investment Amount or its equivalent in another currency or such amount as the Directors may from time to time determine in relation to any class of Participating Shares; or
 - (ii) such minimum amount of investment in classes of Participating Shares as the Directors may from time to time determine where an application is made for Participating Shares of two or more classes;

provided that the aggregate amount in value of the Participating Shares to which an application relates shall not be less than the Minimum Holding; or

- (b) the applicant is already the holder of Participating Shares and the amount in value of the Participating Shares to which the application relates equals or exceeds the Minimum Additional Investment Amount or such other amount as the Directors may determine.

13. Initial Charge

The Directors may, in their absolute discretion, require any person to whom any class of Participating Shares are to be allotted to pay to the Company or any duly authorised agent of the Company for its absolute use and benefit, an initial charge at a rate to be determined by the Directors by reference to the aggregate amount subscribed but not exceeding in respect of each Participating Share to be allotted an amount equal to 5% per cent of the Subscription Price for such Participating Share subject always to resulting total being adjusted up to the nearest unit of currency in which such Participating Shares are designated where the amount so determined is equal to or greater than half of the relevant unit or down to the nearest unit where the said amount is less than half of that unit ("unit" for this purpose being the smallest fraction of the relevant currency which is legal tender in the country of issue of that currency). The Directors may on any Dealing Day differentiate between applicants as to the amount of the initial charge required to be paid to the Company or any duly authorised agent of the Company as to the amount of initial charge to be levied on each class of Participating Shares (subject to the maximum aforesaid). The Subscription Price plus the initial charge (if any) shall equal the Offer Price.

14. Suspension of Issue

No Participating Shares of any particular class shall be allotted or issued during any period when the determination of the Net Asset Value of that class of Participating Share is suspended pursuant to these Articles hereof except those for which applications have been previously received and accepted by the Company or its authorised agent.

15. Restrictions on Shareholders/Qualified Persons

(a) Subject and in addition to the foregoing provision, the Directors shall have power (but shall not be under any duty) to impose such restrictions as they may think necessary for the purpose of ensuring that no Participating Shares of any class are acquired or held directly or beneficially by:-

(i) any person who is not a Qualified Holder; or

(ii) any person or persons in circumstances, (whether directly or indirectly affecting such person or persons and whether taken alone or in conjunction with any other person or persons connected or not, or any other circumstances appearing to the Directors to be relevant) which, in the opinion of the Directors might result in the Company incurring any liability to taxation or suffering pecuniary disadvantages which the Company might not otherwise have incurred or suffered or the Company being required to register under the 1940 Act or similar statute successor thereto or to register any class of its securities under the 1933 Act or similar statute successor thereto.

(b)

(i) No person other than a Qualified Holder shall be or remain registered as a holder of Participating Shares and the Directors may upon an application

for any class of Participating Shares or (subject as herein provided) on a transfer of any class of Participating Shares or at any other time and from time to time require such evidence to be furnished to them in this connection as they shall in their discretion deem sufficient and in default of such evidence being furnished to the satisfaction of the Directors the Directors may require the repurchase or transfer of such shares pursuant to these Articles.

- (ii) A holder of Participating Shares who shall cease to be a Qualified Holder shall promptly either give to the Company a redemption notice in respect of such shares or shall promptly transfer such shares to a Qualified Holder.
- (iii) If the Directors shall in their absolute discretion consider that any holder of Participating Shares is not a Qualified Holder (or at any time while registered as a holder of such shares has not been a Qualified Holder) the Directors may require the repurchase or transfer of such Participating Shares in accordance with Article 20 hereof.

PART IV - DETERMINATION OF NET ASSET VALUE

- (iii) adding the Net Asset Value for the particular class of Participating Share as at the previous Valuation Point and the net total subscriptions or redemptions, as appropriate, at that time;
- (iv) apply the allocation ratios to the figure in (i) above.
- (f) The costs and related liabilities/benefits arising from instruments entered into (subject to Article 78(c)) for the purposes of hedging the currency exposure for the benefit of any particular class of a Fund (where the currency of a particular class is different to the base currency of the Fund) shall be attributable exclusively to that class.
- (g) The Net Asset Value of a class of Participating Shares within a Fund shall be expressed in the Base Currency in which the Fund is designated (except, where the currency of the particular class is different to the base currency of the Fund, it shall be expressed in the currency in which that class is designated) (converted, where necessary at such rate of exchange as the Directors think fit).

 - A. if an Investment is quoted, listed or normally dealt in on more than one market, the Directors may, in their absolute discretion, select any one of such markets for the foregoing purposes and once selected a market shall be used for future calculations of the Net Asset Value unless the Directors otherwise determine;
 - B. in the case of any Investment which is quoted, listed or normally dealt in on a market but in respect of which for any reason, prices on that market may not be available at any Valuation Point, the value therefor shall be the probable realisation value thereof which must be estimated with care and in good faith by a person, firm or association making a market in such Investment appointed by the Directors and qualified, in their opinion to provide such a valuation and approved by the Custodian; and

- (ix) notwithstanding any of the foregoing sub paragraphs, the Directors:
 - A. with the approval of the Custodian may adjust the value of any Investment if, having regard to currency, applicable rates of interest, maturity, marketability and/or such other considerations as they may deem relevant, they consider that such adjustment is required to reflect the fair value thereof; and/or
 - B. may, in order to comply with any applicable accounting standards, present the value of any assets of the Company in financial statements to Shareholders in a manner different to that set out in this Article;

- (x) if in any case a particular value is not ascertainable as above provided or if the Directors shall consider that some other method of valuation better reflects the fair value of the relevant Investment then in such case the method of valuation of the relevant Investment shall be such as the Directors shall decide with the concurrence of the Custodian;
 - (xi) notwithstanding the foregoing, where at any time of any valuation any asset of the Company has been realised or contracted to be realised there shall be included in the assets of the Company in place of such asset the net amount receivable by the Company in respect thereof provided that if such amount is not then known exactly then its value shall be the net amount estimated by the Directors as receivable by the Company provided that if the net amount receivable is not payable until such future time after the time of any valuation the Directors shall make such allowance as they consider appropriate to reflect the true current value thereof;

PART V - REDEMPTION OF PARTICIPATING SHARES

20. Redemption

- (a) Subject to the provisions of the Acts and the Regulations, and subject as hereinafter provided, the Company shall on receipt by the Company or its duly authorised agents of a redemption request in writing, by facsimile in such form, by such means and subject to such restrictions as may be prescribed by the Company in relation to any Fund by a holder of Participating Shares (the "Applicant") which request shall, save as provided in this Article, be irrevocable, redeem and cancel all or any portion of the Participating Shares held by the Applicant at the Redemption Price (as hereinafter set out) for each such Participating Share of the class concerned determined in accordance with the provisions of these Articles, or procure the purchase thereof at not less than the Redemption Price PROVIDED THAT:-
 - (i) the redemption of Participating Shares of any class pursuant to this Article shall be made on the Dealing Day following receipt of the request in such form and conveyed by such means as the Company may prescribe provided such request is received by the Administrator before the Relevant Time and, if received after the Relevant Time, the request shall be treated as a request for redemption on the next following Dealing Day;
 - (ii) the Directors may refuse a request for redemption if as a result of the implementation of such request the Member would hold less than the Minimum Holding. If the Directors refuse such a request, they shall notify the Member of such refusal and the reason therefor and invite the Member either to discontinue with a request for redemption or to require redemption of the Member's entire holding. If any request for redemption is pursued by the Member which, if implemented, would result in the Member holding less than the Minimum Holding, the Directors shall have power to compulsorily redeem the whole of that Member's holding of Participating Shares;
 - (iii) in the event that the determination of the Net Asset Value per Participating Share has been suspended in accordance with Article 23, the right of the Applicant to have his Participating Shares repurchased or redeemed pursuant to this Article, shall be similarly suspended and during the period of suspension he may withdraw his request for redemption and his certificate (if applicable). Any withdrawal of a request for redemption

under the provisions of this Article shall be made in writing and shall only be effective if actually received by the Company or its duly authorised agent before termination of the period of suspension. If the request is not so withdrawn the redemption of the Participating Shares shall be made on the Dealing Day next following the end of the suspension or on such earlier day following the end of the suspension as the Directors at the request of the Applicant may agree;

- (b) In the case of proposed redemptions by a holder of Participating Shares in respect of which share certificates have been issued, requests for redemption must be given in writing, setting out the Applicants full name and address; the number of Participating Shares or amount of each Fund to be redeemed and details as to whom payment should be made to (unless the pre-designated instructions provided on the Application Form have been completed). Such redemption request must be accompanied by the relevant share certificate(s) and sent to the Administrator. In the case of a holder of Participating Shares which is a corporation, a list of authorised signatories must be provided by the corporation to the Administrator in the event that the signatories at redemption differ from signatories on the most recent application form submitted by the holder.
- (c) In the case of proposed redemptions by a holder of Participating Shares in respect of which share certificates have not been issued, requests for redemption must be given in writing, by facsimile subject to such restrictions as may be imposed by the Directors from time to time, giving the information set out in paragraph (b) above.
- (d) Where a request for redemption is received from a holder of Participating Shares in respect of which a share certificate or certificates has been issued, but the relevant share certificate or certificates are not returned to the Administrator, a provisional redemption will be effected under the provisions of these Articles upon receipt by the Administrator of a written request in the form referred to in paragraph (b) of this Article 20 but the proceeds of such redemption will be held by the Custodian (without payment of interest or compensation) until the relevant duly renounced share certificate or certificates have been received by the Administrator. The Directors may at their option dispense with the production of any certificate which shall have become defaced, lost, stolen or destroyed upon compliance by the Applicant with the like requirements to those applying in the case of an application by him for replacement of a defaced, lost, stolen or destroyed certificate under Article 28.
- (e) Where the Company receives in respect of any Dealing Day requests for redemptions or conversion pursuant to Article 25 which in the aggregate amount to more than 10% of the Participating Shares of any Fund in issue, the Directors, if in their sole discretion acting in good faith believe it shall be necessary or desirable in order not to prejudice the interests of the shareholders not making such request, or on the grounds of liquidity or other like reason, may reduce each such request for redemption or conversion of Participating Shares of the relevant Fund pro rata so that all such requests cover no more than 10% of the Participating Shares of the relevant class in issue. Any part of a redemption or conversion request to which effect is not given by reason of the exercise of this

power by the Directors shall be treated as if a request had been made in respect of the next Dealing Day and each succeeding Dealing Day (in relation to which the Directors shall have the same power) until the original requests have been satisfied in full provided always that requests for redemption or conversion that remain to be satisfied by reason of the exercise of this power by the Directors shall be complied with in priority to later requests.

(f)

(i) If it shall come to the notice of the Directors that any Participating Shares are owned directly or beneficially by any person in breach of the restrictions imposed by Article 15 above, the Directors may give notice to such person requiring him to transfer such Participating Shares to a person who is qualified or entitled to own such Participating Shares or to give a request in accordance with these Articles for the redemption of such Participating Shares in accordance with paragraph (a) above. If any person upon whom such a notice is served pursuant to this sub-paragraph does not within thirty days after such notice:-

- A. transfer his shares to a person qualified to own such Participating Shares;
- B. request the Company to redeem his Participating Shares; or
- C. establish to the satisfaction of the Directors (whose judgment shall be final and binding and conclusive) that he is not subject to such restrictions;

he shall be deemed upon the expiration of such thirty days to have given a request in accordance with these Articles for the redemption of all his Participating Shares pursuant to paragraph (a) above and shall be bound forthwith to deliver his certificate or certificates (if any) to the Directors and the Directors shall be entitled to appoint any person to sign on his behalf such documents as may be required for the purpose of the redemption of the said Participating Shares by the Company.

(ii) A person who becomes aware that he is holding or owning Participating Shares in breach of any such restrictions as aforesaid shall forthwith unless he has already received a notice pursuant to sub-paragraph (i) above either transfer all his Participating Shares to a person qualified to own such Participating Shares or give a request in writing for the redemption of all his Participating Shares pursuant to paragraph (a) above.

(iii) Payment of any amount due to such person pursuant to sub-paragraph (i) or (ii) above shall be subject to any requisite exchange control approvals first having been obtained and the amount due to such person will be deposited by the Company in a bank for payment to such person upon such approvals being obtained against surrender of the certificate(s), if any, representing the Participating Shares previously held by such person. Upon deposit of such amount as aforesaid such person shall have no further interest in such

Participating Shares or any of them or any claim against the Company in respect of such Participating Shares except the right to receive such amounts so deposited (without interest) upon such approvals as aforesaid being obtained.

- (g) The Directors may, provided that they are satisfied that the terms of any exchange would not be such as would be likely to result in any prejudice to the remaining Shareholders and at the request of a Shareholder seeking the realisation of Participating Shares in any Fund, elect that instead of the Participating Shares being redeemed in cash, the redemption shall be satisfied in specie by the transfer to the Shareholder of Investments provided that the value thereof shall not exceed the amount which otherwise would have been payable on a cash redemption. The shortfall (if any) between the value of the Investments transferred on a repurchase in specie and the redemption proceeds which would have been payable on a cash redemption shall be satisfied in cash.
- (h) If the discretion conferred upon the Directors by paragraph (g) is exercised, the Directors shall notify the Custodian and shall supply to the Custodian particulars of the Investments to be transferred and the amount of cash to be paid to the Shareholder. All stamp duties, transfer and registration fees in respect of such transfers shall be payable by the Shareholder.
- (i) The shareholders of any Fund may, by way of Special Resolution, and subject to the requirements of the Financial Services Regulator, authorise the amalgamation/merger of the Fund with any other collective investment scheme or schemes, which amalgamation/merger may involve the redemption of shares of the relevant Fund and the transfer of the whole or part of the assets of the Fund to the custodian/trustee (who may or may not be regulated by the Financial Services Regulator) of the relevant collective investment scheme or schemes.

21. The Redemption Price

- (a) The Repurchase Price for a Participating Share of any class shall be an amount as determined by the Directors for the relevant Dealing Day by:-
 - (i) determining the Net Asset Value of the relevant class of Participating Shares as at the Valuation Point on the Dealing Day in accordance with the provisions of Articles 16 to 19 and deducting therefrom such sums as the Directors may consider represents an appropriate provision for Duties and Charges (if any);
 - (ii) dividing the amount calculated under (i) above by the number of Participating Shares of the relevant Fund then in issue at the relevant Valuation Point; and
 - (iii) Adjusting the resulting total up to the nearest unit of currency in which such Participating Shares are designated where the amount so determined is equal to or greater than half of the relevant unit or down to the nearest unit where the said amount is less than half of that unit ("unit" for this purpose

being the smallest fraction of the relevant currency which is legal tender in the country of issue of that currency).

- (b) Any certificate as to the Redemption Price given in good faith (and in the absence of negligence or manifest error) by or on behalf of the Directors shall be binding on all parties.
- (c) The Directors may, in their absolute discretion, deduct from the Redemption Price for the absolute use and benefit of the relevant Fund or any agent of the Fund a redemption charge in respect of Participating Shares of any class which have been redeemed (at the request of the Shareholder), provided, however, that such redemption charge shall not exceed []% of the Redemption Price and shall be disclosed to Shareholders in the Prospectus for the relevant Fund.
- (d) Payment of redemption proceeds will be made in the base currency (or such other currency as the Directors may determine) (subject to Article 23) at the latest 5 Business Days following the Dealing Day on which such shares are redeemed provided that the Administrator is in receipt of the original redemption request. Redemption Proceeds may be paid by telegraphic transfer at the Shareholders' risk and expense to the bank account indicated on the Holder's most recent form for application for Participating Shares or other written instructions to the Company or its authorised agents. If no such instructions have been given redemption proceeds will be sent by post to the relevant shareholder's address as set out in the Shareholders' Register and, in the case of joint holders, the joint holder whose name stands first in the Shareholders' Register.
- (e) Notwithstanding any other provision of these Articles, if the Company becomes liable to account for tax in any jurisdiction in the event that a Shareholder or beneficial owner of a Share were to receive a distribution in respect of his Shares or to dispose (or deemed to have disposed) of his Shares in any way ("Chargeable Event"), the Company shall be entitled to deduct from the payment arising on a Chargeable Event an amount equal to the appropriate tax and/or where applicable, to appropriate or cancel such number of Shares held by the Shareholder or such beneficial owner as are required to meet the amount of tax. The relevant Shareholder shall indemnify and keep the Company indemnified against any loss arising to the Company by reason of the Company becoming liable to account for tax in any jurisdiction on the happening of a Chargeable Event if no such deduction, appropriation or cancellation has been made.

22. Compulsory Redemption

- (a) The Company shall have the right at any time to redeem without penalty:-
 - (i) Participating Shares of any class if, in the opinion of the Directors, such redemption would eliminate or reduce the exposure of the Company or its Members to adverse tax consequences or other adverse pecuniary legal or material administrative disadvantage or other consequences of a nature contemplated by Article 20(f) above under the laws of any country;

- (ii) Participating Shares of any class if circumstances in accordance with which the provisions of Article 20(a)(ii) of these Articles apply;
 - (iii) all the Participating Shares of a particular Fund if not less than 75% of the holders in value of the shares of each of the relevant classes in such Fund (carrying voting rights at general meetings of the Company) approve of the redemption of all the Participating Shares by the Director, at general meetings of the relevant classes of which not more than twelve and not less than four weeks notice has been given;
 - (iv) all the Participating Shares of a particular Fund if, on any Dealing Day falling after the first anniversary of the first issue of Shares in a Fund, the Net Asset Value of that Fund falls below the equivalent of CHF 1,000,000 for a period of more than 90 days.
- (b). The Company shall redeem without penalty all Participating Shares if the Custodian has served notice of its intention to retire under the terms of the Custodian Agreement (and has not revoked such notice) and no new custodian has been formally approved and appointed within three months of the date of service of such notice.

PART VI - SUSPENSION OF REDEMPTION, VALUATION AND DEALINGS

23. Temporary Suspensions

- (a) The Directors may, subject to the rules of the relevant exchange, declare a temporary suspension of the determination of the Net Asset Value of any Fund and of the issue and redemption of any class of Participating Shares thereof during:-
- (i) the whole or any part of any period when any Regulated Market on which any significant portion of the Investments of the relevant Fund from time to time are ordinarily quoted, listed, traded or dealt in is closed (otherwise than for customary weekend or ordinary holidays) or during which dealings therein are restricted or suspended or trading on any relevant futures exchange or market is restricted or suspended;
 - (ii) the whole or any part of any period when, as a result of political, economic, military or monetary events or any other circumstances outside the control, responsibility or power of the Directors, during which in the opinion of the Directors, any disposal or valuation of Investments of the relevant Fund is not reasonably practicable without this being seriously detrimental to the interests of owners of Participating Shares in general or the owner of Participating Shares of the relevant Fund or if, in the opinion of the Directors, the Redemption Price cannot be fairly calculated or such disposal would be materially prejudicial to the owners of Participating Shares in general or the owners of Participating Shares in the relevant Fund;
 - (iii) when for any reason, including a breakdown which occurs in the means of communication normally employed in determining the value of the relevant

Fund, the value of any of the Investments cannot properly and fairly be ascertained;

- (iv) during any period when the Company is unable to repatriate funds for the purposes of making redemption payments or when such payments cannot in the opinion of the Directors be effected at normal prices or normal rates of exchange or during which there are difficulties or it is envisaged that there will be difficulties in the transfer of monies or assets required for subscriptions, redemptions or trading; or
 - (v) upon the publication of or notice convening a general meeting of Shareholders for the purpose of resolving to wind up the Company.
- (b) Any such suspension shall take effect immediately and thereafter there shall be no determination of Net Asset Value and issue of Participating Shares or redemption of Participating Shares until the Directors shall declare the suspension at an end except that the suspension shall terminate in any event on the first Business Day on which:-
- (i) the condition giving rise to the suspension shall have ceased to exist; and
 - (ii) no other condition under which suspension is authorised under paragraph (a) of this Article shall exist.

24. Notification of Suspensions

Any such suspension of the determination of the Net Asset Value of Participating Shares and the issue and redemption of Participating Shares and any postponement of redemption payments shall be notified to the Financial Regulator and the Irish Stock Exchange by the Company without delay.

PART VII - CLASS FUND CONVERSIONS

25. Class Fund Conversions

Subject to Articles 16 to 19 and 23 above and as hereinafter provided the holder of any Participating Shares of any Fund (the "Original Fund") on any Dealing Day shall have the right from time to time to exchange such minimum amount and value of his holding of Participating Shares in such Fund as may be specified by the Directors, to Participating Shares of a particular class of another Fund which are being offered at that time (the "New Fund") on the following terms:-

- (a) the Shareholder shall apply to the Administrator by giving notice in such form (the "Conversion Form") as may be prescribed by the Directors in relation to any Fund;
- (b) the Conversion Form must be received by the Administrator before the Relevant Time and must be dealt with on the Dealing Day or at such other date as may be approved by the Administrator;

- (c) conversion of the Participating Shares in the Original Fund specified in the Conversion Form shall be effected in the following manner, that is to say:-
- (i) such Participating Shares in the Original Fund shall be redeemed by the issue of Participating Shares in the New Fund;
 - (ii) the Participating Shares in the New Fund shall be issued in respect of and in proportion to (or as nearly as may be in proportion to) the holding of the Participating Shares in the Original Fund which is being converted; and
 - (iii) the proportion in which Participating Shares in the New Fund are to be issued in respect of Participating Shares of the Original Fund shall be determined in accordance with the provisions of this Article;

provided always that the right of a Shareholder to convert his Participating Shares for Participating Shares of another Fund conferred by this Article shall be conditional upon the Company having sufficient available share capital to enable the conversion to be implemented as aforesaid.

- (d) if the conversion would result in the Shareholder owning a number of Participating Shares of either the Original Fund or the New Fund of a value which is less than the Minimum Holding, the Administrator or its Authorised Agents may, if it thinks fit, convert the whole of the applicant's holding of Participating Shares of the Original Fund to Participating Shares in the New Fund or refuse to effect any conversion from the Original Fund;
- (e) The Directors shall determine the number of Participating Shares of the relevant class of the New Fund to be issued on an exchange in accordance with the following formula:-

$$A = B \times \frac{C \times D}{E}$$

E

- Where:-
- A = the number of Participating Shares of the New Fund to be allotted;
 - B = the number of Participating Shares of the Original Fund to be exchanged;
 - C = the Net Asset Value per Participating Share of the Original Fund as at the relevant Dealing Day;
 - D = the currency conversion factor determined by the Administrator or its duly appointed agent as representing the effective rate of exchange of settlement on the relevant Dealing Day applicable to the transfer of assets between the relevant Class Funds (where the Base Currencies of the relevant

Funds are different) or where the Base Currencies of the relevant Class Funds are the same $D = 1$;

E = the Net Asset Value per Participating Share for the New Fund in receipt of the Valuation Point on the relevant Dealing Day plus the conversion charge, details of which are set out below.

The number of Participating Shares of the New Fund to be created or issued pursuant to this Article shall be so created or issued in respect of each of the Participating Shares of the Original Fund being exchanged in the proportion (or as nearly as may be in the proportion A to B) where A and B have the meanings ascribed to them above.

- (f) The general provisions on procedures related to subscription and redemption (including the furnishing of share certificates if issued) will equally apply to conversion.
- (g) The conversion of the Participating Shares of the Original Fund specified in the Conversion Form for Participating Shares of the New Fund shall (subject to paragraph (b) above) take place on the next Dealing Day following receipt of the Conversion Form and the holder's entitlement to Participating Shares as recorded in the Register shall be altered accordingly with effect from that time.
- (h) On any exchange of Participating Shares pursuant to these Articles the Directors may add to the Subscription Price for the Participating Shares of the New Fund to be issued a conversion charge, for payment to the Investment Manager out of the Fund relating to the Participating Shares of such class not exceeding 0.5% of the Subscription Price for the total number of Participating Shares in the New Fund to be issued.

PART VIII - CERTIFICATES AND CONFIRMATIONS OF OWNERSHIP

26. Confirmation of Ownership/Share Certificates

Every person whose name is entered as a Member in the Register shall receive a completion notice confirming their holding on the completion of each subscription/redemption of ownership of the relevant class(es) of Participating Shares and, if specifically requested in writing by him, be entitled without payment to receive within two months after request for a certificate one certificate for such class of Participating Share held by him. Any such certificate may be issued either in accordance with Article 100 or under hand by a director of the Company (whose signature maybe reproduced mechanically) and a duly authorised signatory of the Custodian. Bearer certificates will not be issued.

27. Balance and Exchange Certificates

- (a) If any Member shall surrender for cancellation a share certificate representing Participating Shares of a particular class held by him and request the Company to issue in lieu thereof two or more share certificates representing such Participating

Shares in such proportions as he may specify, the Directors may, if they think fit, comply with such request. Where a Member transfers part only of the Participating Shares comprised in a certificate, the old certificate shall be cancelled and a new certificate, for the balance of such Participating Shares, issued in lieu without charge. Any two or more certificates of Participating Shares of any one class held by any Member at his request may be cancelled and a single new certificate for such Participating Shares issued in lieu without charge unless the Directors otherwise determine.

- (b) However, the Company shall not be bound to register more than four persons as the joint holders of any Participating Shares (except in the case of executors or trustees of a deceased member) and, in the case of a Participating Share held jointly by several persons and in respect of which the issue of a Share certificate has been requested, the Company shall not be bound to issue more than one certificate in respect of such holding and delivery of a certificate to one of such persons shall be sufficient delivery to all.
- (c) Every certificate shall be signed by the Custodian (not reproduced mechanically) and shall specify the name(s) of the holder(s) and the number and class of the Participating Shares to which it relates and the fact that they are fully paid.

28. Replacement of Certificates

If a share certificate be defaced, lost, stolen or destroyed, a new certificate may be issued in lieu on such terms (if any) as to evidence and indemnity and the payment of out-of-pocket expenses of the Company in investigating evidence as the Directors think fit.

29. Calls on Subscriber Shares

- (a) The Directors may from time to time make calls upon the Members in respect of any moneys unpaid on the Subscriber Shares provided that (except as otherwise fixed by the conditions of application or allotment) no call on any shares shall be payable at less than fourteen days from the date fixed for the payment of the last preceding call, and each Member shall (subject to being given at least fourteen days' notice specifying the time or times and place of payment) pay to the Company at the time or times and place so specified the amount called on his Subscriber Shares. A call may be payable by installments. A call may be revoked or postponed as the Directors may determine. A call shall be deemed to have been made at the time when the resolution of the Directors authorising the call was passed.
- (b) The Directors may, if they think fit, receive from any Member willing to advance the same all or any part of the money uncalled and unpaid upon the Subscriber Shares held by him beyond the sums actually called up thereon as a payment in advance of calls, and such payment in advance of calls shall extinguish, so far as the same shall extend, the liability upon the Subscriber Shares in respect of which it is advanced, and upon the money so received, or so much thereof as from time to time exceeds the amount of the calls then made upon the shares in respect of which it has been received.

PART IX - TRANSFER OF SHARES

30. Procedure on Transfer

- (a) All transfers of shares shall be effected by an instrument in writing in any form approved by the Directors but need not be under seal. No transfer of Subscriber Shares may be effected without the prior written consent of the Company.
- (b) No Participating Share of any class has been or will be registered under the 1933 Act or the securities laws of any State of the United States. Accordingly, Participating Shares of any class may not be offered, sold, transferred or delivered, directly or indirectly, in the United States or to, or for the account of, a United States Person at any time without the prior consent of the Directors, which consent may be granted or withheld in the sole discretion of the Directors but which will not in any case be granted if, as the result thereof, the number of Participating Shareholders who are United States Persons would exceed such number as may be specified by the Directors or in the absence of specification, 75.
- (c) If a transferee who is a United States Person applies to register a transfer of Participating Shares and if as a result of such transfer the number of holders of Participating Shares known to the Company to be United States Persons would exceed such number as the Directors may from time to time determine (or in the absence of determination, 75) or the Company otherwise becomes aware that a holder of Participating Shares is a United States Person who acquired Participating Shares without the prior consent of the Directors, the Company will refuse to register the transfer in favour of the United States Person and/or may direct the United States Person to sell his Participating Shares within 30 days and provide to the Company evidence of the sale by him or to make the request that the Company repurchase the Participating Shares pursuant to Article 20(f). If the United States Person fails to comply with the direction, the Company will compulsorily repurchase the holding of Participating Shares of such United States Person pursuant to Article 22.
- (d) The Directors may decline to register a transfer of Participating Shares, if as a result of such transfer the transferor's holding would drop below the Minimum Holding.
- (e) The Directors shall decline to register any transfer of a Share:-
 - (i) where they are aware or believe that such transfer would or might result in the beneficial ownership of such Participating Shares by a person who is not a Qualified Holder or expose the Company to adverse tax or regulatory consequences; or
 - (ii) to a person who is not already a Shareholder, if as a result of such transfer, the proposed transferee would not be the holder of a Minimum Holding of Participating Shares.

31. Purchase of Subscriber Shares

- (a) The Directors may at any time after the Initial Offer Period direct that any Subscriber Shares not held by the Investment Manager or its nominee(s) shall be compulsorily purchased from the holder thereof at the price of US\$1 per Subscriber Share in the following manner:-
- (i) The Directors shall serve a notice (hereinafter called a "Purchase Notice") upon the person appearing in the Register as the holder of the Subscriber Shares to be purchased (the "Vendor") specifying the Subscriber Shares to be purchased as aforesaid, the price to be paid for such shares, the person in whose favour such holder must execute a transfer of such shares and the place at which the purchase price in respect of such shares is payable. Any Purchase Notice may be served upon the Vendor by mailing such notice in a pre-paid registered envelope addressed to the Vendor at his address shown in the Register. The Vendor shall thereupon forthwith be obliged to deliver to the Company within ten days from the date of the Purchase Notice a duly executed transfer of the shares specified in the Purchase Notice in favour of the person specified in the Purchase Notice.
 - (ii) In the event of the Vendor failing to carry out the sale of any Subscriber Shares which he shall have become bound to transfer as outlined in paragraph (i) above, the Directors may authorise some person to execute a transfer of such share(s) in accordance with the direction of the Directors and may give good receipt for the purchase price of such share, and may register the transferee or transferees as holder or holders of such shares and thereupon the transferee or transferees shall become indefeasibly entitled to such shares.
- (b) After the Initial Offer Period, any holder of Subscriber Shares in the Company may (subject to the Subscriber Shares held by such holder being fully paid) by notice in writing to the Company, request the Company to purchase any such Subscriber Shares held by such holder at the nominal value therefor. The Company shall, within thirty days of receipt of such request, complete the purchase of such Subscriber Shares (subject to receipt of the relevant share certificates, if any) and make arrangements with the holder for payment to him of the purchase monies therefore.

32. Entry in Register

The instrument of transfer of a share shall be signed by or on behalf of the transferor. The transferor shall be deemed to remain the holder of the share until the name of the transferee is entered in the Register in respect of such share.

33. Refusal to Register Transfers

The Directors may in their absolute discretion, without assigning any reason therefor, decline to recognise any transfer of shares:-

- (a) unless the instrument of transfer in proper form is deposited at the Office or such other place as the Directors may reasonably require together with such other evidence as the Directors may reasonably require to show the right of the transferor to make the transfer and satisfying the Directors as to their requirements in relation to money laundering that they may require from time to time; or
- (b) where the transfer of a share or any renunciation of any allotment made is in respect of a Subscriber Share which is not fully paid;
- (c) unless the instrument of transfer relates to Participating Shares of one class only.

34. Procedure on Refusal

If the Directors decline to register a transfer of any share they shall, within two months after the date on which the transfer was lodged with the Company, send to the transferee notice of the refusal.

35. Suspension on Transfers

The registration of transfers may be suspended at such times and for such periods as the Directors may from time to time determine PROVIDED ALWAYS that such registration shall not be suspended for more than thirty days in any year.

36. Retention of Transfer Instruments

Subject to Article 126 below all instruments of transfer which shall be registered shall be retained by the Company, but any instrument of transfer which the Directors may decline to register shall (except in any case of fraud) be returned to the person depositing the same.

37. Absence of Registration Fees

No registration fee shall be charged for the registration of any instrument of transfer or other document relating to or affecting the title to any share.

PART X - TRANSMISSION OF SHARES

39. Transfer/Transmission - Special Circumstances

Any curator or other legal representative of a Member under legal disability and any person entitled to a share in consequence of the death or bankruptcy of a Member shall, upon producing such evidence of his title as the Directors may require, have the right either to be registered himself as the holder of the share or to make such transfer thereof as the deceased or bankrupt Member or Member under a disability could have made, but the Directors shall in any case have the same right to refuse or suspend registration as they would have had in the case of a transfer of the share by the Member under disability or by the deceased or bankrupt Member before the death or bankruptcy or by the Member under legal disability before such disability.

40. Rights before Registration

A person becoming entitled to a share in consequence of the death or bankruptcy of a Member shall have the right to receive and may give a discharge for all dividends and other moneys payable or other advantages due on or in respect of the share, but he shall not be entitled to receive notice of or to attend or vote at meetings of the Company, nor save as aforesaid, to any of the rights or privileges of a Member unless and until he shall be registered as a Member in respect of the shares PROVIDED ALWAYS that the Directors may at any time give notice requiring any such person to elect either to be registered himself or to transfer the share and if the notice is not complied with within ninety days the Directors may thereafter withhold all dividends or other moneys payable or other advantages due in respect of the share until the requirements of the notice have been complied with.

PART XI - ALTERATION OF SHARE CAPITAL

41. Increase of Capital

- (a) The Company may from time to time by Ordinary Resolution increase its capital by such number of shares as the resolution shall prescribe.
- (b) Except so far as otherwise provided by the conditions of issue or by these Articles, any capital raised by the creation of new shares shall be considered part of the pre-existing share capital of the Company and shall be subject to the provisions herein contained with reference to transfer and transmission, and otherwise.

The Company may from time to time by Ordinary Resolution:-

- (a) consolidate and divide all or any of its share capital into a smaller number of shares than its existing shares;
- (b) subject to the provisions of the Acts, sub-divide its shares, or any of them, into a larger number of shares than that fixed by its Memorandum of Association; or

- (c) cancel any shares which, at the date of the passing of the Ordinary Resolution in that behalf, have not been taken, or agreed to be taken, by any person, and diminish the amount of its share capital by the amount of the shares so cancelled.

43. Reduction of Capital

In addition to any rights of the Company specifically conferred by these Articles to reduce its share capital, the Company from time to time, by Special Resolution, may reduce its share capital in any way and in any manner subject to any incident authorised or consent required by law.

PART XII - GENERAL MEETINGS

44. Annual General Meeting

The Company shall in each year hold a general meeting as its Annual General Meeting in addition to any other meeting in that year and specify the meeting as such in the notices calling it. Not more than fifteen months shall elapse between the date of one Annual General Meeting of the Company and that of the next PROVIDED THAT so long as the Company holds its first Annual General Meeting within eighteen months of its incorporation it need not hold it in the year of its incorporation or in the following year. Subsequent Annual General Meetings shall be held once in each year and will normally be held in Ireland within six months of the end of each financial year.

45. Extraordinary General Meetings

All general meetings (other than Annual General Meetings) shall be called Extraordinary General Meetings.

46. Convening General Meetings

The Directors may convene general meetings. The Directors may call an Extraordinary General Meeting whenever they think fit and Extraordinary General Meetings may also be convened on such requisition, or in default may be convened by such requisitionists and in such manner as provided by the Acts. If at any time there are not within the State sufficient Directors capable of forming a quorum, any Director or any two members of the Company may convene an Extraordinary General Meeting in the same manner as nearly as possible as that in which General Meetings may be convened by the Directors.

47. Notice of General Meetings

- (a) Subject to the provisions of the Acts allowing a General Meeting to be called by shorter notice, an Annual General Meeting and an Extraordinary General Meeting called for the passing of a Special Resolution shall be called by at least twenty-one Clear Days' notice and all other Extraordinary General Meetings shall be called by at least fourteen Clear Days' notice.
- (b) Any notice convening a General Meeting shall specify the time and place of the meeting, the general nature of that business, and, in reasonable prominence state

It shall also give particulars of any Directors who are recommended by the Directors for appointment or re-appointment as Directors at the meeting, or in respect of whom notice has been duly given to the Company of the intention to propose them for appointment or re-appointment as Directors at the meeting. Subject to any restrictions imposed on any shares, the notice shall be given to all the Members and those persons listed in Article 123.

- (c) The accidental omission to give notice of a meeting to, or the non-receipt of notice of a meeting by, any person entitled to receive notice shall not invalidate the proceedings at the meeting.
- (d) Where, by any provision contained in the Acts, extended notice is required of a resolution, the resolution shall not be effective (except where the Directors of the Company have resolved to submit it) unless notice of the intention to move it has been given to the Company not less than twenty-eight days (or such shorter period as the Acts permit) before the meeting at which it is moved, and the Company shall give to the Members notice of any such resolution as required by and in accordance with the provisions of the Acts.

PART XIII - PROCEEDINGS AT GENERAL MEETINGS

48. Business to be Transacted

All business shall be deemed special that is transacted at an Extraordinary General Meeting as also will all business that is transacted at an Annual General Meeting with the exception of the consideration of the accounts and the balance sheet and the reports of the Directors and Auditors, the election of Directors and the election of Auditors in the place of those retiring, and the appointment and the fixing of the remuneration of the Auditors.

49. Quorum for General Meetings

- (a) No business other than the appointment of a Chairman shall be transacted at any general meeting unless a quorum of Members is present at the time when the meeting proceeds to business. Except as provided in these Articles in relation to an adjourned meeting, two persons entitled to vote upon the business to be transacted, each being a Member or a proxy for a Member, or a duly authorised representative of a corporate Member, shall be a quorum for all purposes.
- (b) If such a quorum is not present within half an hour from the time appointed for the meeting, or if during a meeting a quorum ceases to be present, the meeting shall stand adjourned to the same day in the next week at the same time and place, or to such other day and at such other time and place as the Directors may determine. If at such adjourned meeting such a quorum is not present within half an hour from the time appointed for holding the meeting, then the meeting, if convened otherwise than by resolution of the Directors, shall be dissolved, but if the meeting shall have been convened by resolution of the Directors, the Members present shall be a quorum.

50. Chairman of General Meetings

- (a) The Chairman (if any) or, in his absence, the Deputy Chairman (if any) of the Board or in his absence, some other Director nominated by the Directors shall preside as Chairman at every general meeting of the Company. If at any general meeting none of such persons shall be present within fifteen minutes after the time appointed for the holding of the meeting and willing to act, the Directors present shall elect one of their number to be Chairman of the meeting and, if there is only one Director present and willing to act, he shall be Chairman.
- (b) If at any meeting no Director is willing to act as Chairman or if no Director is present within fifteen minutes after the time appointed for the holding of the meeting, the Members present and entitled to vote shall choose one of the Members personally present to be Chairman of the meeting.

51. Directors' and Auditors' Right to Attend General Meetings

A Director shall be entitled, notwithstanding that he is not a Member, to attend and speak at any general meeting and at any separate meeting of the holders of any class of shares in the Company. The Auditors shall be entitled to attend any general meeting and to be heard on any part of the business of the meeting which concerns them as Auditors.

52. Adjournment of General Meetings

The Chairman, with the consent of a meeting at which a quorum is present, may (and shall if so directed by the meeting) adjourn the meeting from time to time (or sine die) and from place to place, but no business shall be transacted at any adjourned meeting other than business which might properly have been transacted at the meeting had the adjournment not taken place. Where a meeting is adjourned sine die, the time and place for the adjourned meeting shall be fixed by the Directors. When a meeting is adjourned for fourteen days or more sine die, at least seven Clear Days' notice shall be given specifying the time and meeting and the general nature of the business to be transacted. Save as aforesaid, it shall not be necessary to give any notice of an adjourned meeting.

53. Determination of Resolutions

At any general meeting, a resolution put to the vote of the meeting shall be decided on a show of hands and will require a simple majority of the votes cast by the Shareholders voting in person or by proxy at the meeting in which a resolution is proposed unless before, or on the declaration of the result of, the show of hands, a poll is duly demanded. Unless a poll is so demanded, a declaration by the Chairman that a resolution has been carried, or carried unanimously, or by a particular majority, or lost, or not carried by a particular majority and an entry to that effect in the minutes of the meeting shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such a resolution. The demand for a poll may be withdrawn before the poll is taken but only with the consent of the Chairman, and a demand so withdrawn shall not be taken to have invalidated the result of a show of hands declared before the demand was made.

54. Entitlement to Demand Poll

Subject to the provisions of the Acts, a poll may be demanded:-

- (a) by the Chairman of the meeting;
- (b) by at least five Members present (in person or by proxy) having the right to vote at the meeting;

55. Taking of a Poll

- (a) Save as provided in paragraph (b) of this Article, a poll shall be taken in such manner as the Chairman directs and he may in the event of a poll, appoint scrutineers (who need not be Members) and fix a time and place for declaring the result of the poll. The result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded.
- (b) A poll demanded on the election of a Chairman or on a question of adjournment shall be taken forthwith. A poll demanded on any other question shall be taken either forthwith or at such time (not being more than thirty days after the poll is demanded) and place as the Chairman of the meeting may direct. The demand for a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which the poll has been demanded. If a poll is demanded before the declaration of the result of a show of hands and the demand is duly withdrawn, the meeting shall continue as if the demand had not been made.
- (c) No notice need be given of a poll not taken forthwith if the time and place at which it is to be taken are announced at the meeting at which it is demanded. In any other case at least seven Clear Days' notice shall be given specifying the time and place at which the poll is to be taken.

56. Votes of Members

Votes may be given either personally or by proxy. Subject to any rights or restrictions for the time being attached to any class of shares, on a show of hands every holder of shares who (being an individual) is present in person or (being a corporation) is present by a duly authorised representative shall have one vote and on a poll every member in person or by proxy shall have one vote for every share of which he is the holder.

57. Casting Vote

Where there is an equality of votes, whether on a show of hands or on a poll, the Chairman of the meeting at which the show of hands takes place or at which the poll is demanded shall be entitled to a casting vote in addition to any other vote he may have.

58. Voting by Joint Holders

Where there are joint holders of a share, the vote of the senior who tenders a vote, whether in person or by proxy, in respect of such share, shall be accepted to the exclusion of the votes of the other joint holders; and for this purpose seniority shall be determined by the order in which the names of the holders stand in the Register in respect of the shares.

59. Voting by Incapacitated Holders

A Member of unsound mind, or in respect of whom an order has been made by any court having jurisdiction (whether in the State or elsewhere) in matters concerning mental disorder, may vote, whether on a show of hands or on a poll, by his committee, receiver, guardian or other person appointed by that court and any such committee, receiver, guardian or other person may vote by proxy, on a show of hands or on a poll. Evidence to the satisfaction of the Directors of the authority of the person claiming to exercise the right to vote shall be deposited at the Office or at such other place as is specified in accordance with these Articles for the deposit of instruments of proxy, not less than forty-eight hours before the time appointed for holding the meeting or adjourned meeting at which the right to vote is to be exercised and in default the right to vote shall not be exercisable.

60. Time for Objection to Voting

No objection shall be raised to the qualification of any voter except at the meeting or adjourned meeting at which the vote objected to is tendered and every vote not disallowed at such meeting shall be valid for all purposes. Any such objection made in due time shall be referred to the Chairman of the meeting, whose decision shall be final and conclusive.

61. Appointment of Proxy

Every Member entitled to attend and vote at a general meeting may appoint a proxy to attend, speak and vote on his behalf. A proxy need not be a Member. An instrument of proxy shall be in the form set out below or such other form as the Directors may approve, and shall be executed by or on behalf of the appointor. In such circumstances, the Directors shall find a new custodian to act as Custodian to the Company and provided that such new custodian is acceptable to the Company and to the Financial Regulator and is approved by an Ordinary Resolution, the Directors shall by a supplemental Custodian Agreement appoint such new custodian to be the Custodian in place of the removed Custodian.
- (d) The Financial Regulator may, where it appears to be desirable in the interests of the shareholders of the Company, replace the Custodian with another custodian in accordance with the terms of the Regulations.

PART XX - THE SECRETARY

Subject to the provisions of the Acts, the Secretary shall be appointed by the Directors for such term, at such remuneration and upon such conditions as they may think fit and any Secretary so appointed may be removed by them.

97. Assistant or Acting Secretary

Anything required or authorised by the Acts or these Articles to be done by the Secretary may be done, if the office is vacant or there is for any other reason no Secretary readily available and capable of acting, by or to any assistant or acting secretary or, if there is no assistant or acting secretary readily available and capable of acting, by or to any officer of the Company authorised generally or specially in that behalf by the Directors.

PART XXI - THE SEAL

98. Use of Seal

The Directors shall ensure that the Seal (including any official securities seal kept pursuant to the Acts) shall be used only by the authority of the Directors or of a committee authorised by the Directors.

99. Seal for Use Abroad

The Company may exercise the powers conferred by the Acts with regard to having an official seal for use abroad and such powers shall be vested in the Directors.

100. Signature of Sealed Instruments

Every instrument to which the Seal shall be affixed shall be signed by a Director and shall also be signed by the Secretary or by a second Director or by some other person appointed by the Directors for the purpose. The Company may have, for use for sealing certificates, an official seal which is a facsimile of the Seal with the addition on its face of the word "Securities" and certificates on which the Securities Seal is used shall not require to be signed by any person.

PART XXII - DIVIDENDS AND RESERVES

101. Declaration of Dividends

Subject to the provisions of the Acts, the Company may by Ordinary Resolution declare such dividends on any class of Participating Shares as appear to the Directors to be justified by the profits of the relevant Fund and no dividend shall exceed the amount recommended by the Directors. No dividend shall be payable to the holders of Subscriber Shares.

102. **Interim Dividends**

Subject to the provisions of the Acts, the Directors may from time to time if they think fit or the Manager may in accordance with procedures adopted by the Directors declare and pay such interim dividends on Participating Shares of any class as appear to the Directors to be justified by the profits of the relevant Fund.

103. **Source of Dividends**

No dividend shall be payable except out of such funds as may be lawfully distributed as dividends in accordance with the Regulations. Dividends may be paid out of the net revenue of the relevant Fund realised and unrealised profits on the disposal/value of investments and other assets less realised and unrealised losses of the Fund.

104. **Receipts**

If several persons are registered as joint holders of any Participating Share, any one of them may give effectual receipts for any dividend or other moneys payable on or in respect of the Participating Shares.

105. **Dividends in Specie**

A general meeting declaring a dividend may direct, upon the recommendation of the Directors, that the Directors may satisfy any dividend or capital sum payable to holders of the Participating Shares of any class in whole or in part by distributing to them upon the request of the relevant holder in specie any of the assets of the relevant Fund, and in particular any Investments to which the relevant Fund is entitled.

106. **Reinvestment of Dividends**

(a)

- (i) Subject to the right of election provided for in paragraph (b) below dividends declared in accordance with the provisions of these Articles will be paid as provided in sub-paragraph (ii) below and used in payment for additional Participating Shares (the "Additional Shares") upon such terms and conditions and in such manner as the Directors shall determine. Each holder of Participating Shares who has not made such election under sub-paragraph (b) below (a "Holder") shall be entitled to receive an allotment of such number of Additional Shares credited as fully paid up, which, calculated by reference to the Net Asset Value of the Participating Shares as at the Valuation Point immediately after said payment is nearly as possible equal to (but not in excess of) the cash amount of the relevant dividend.

The number of Additional Shares to which a Holder is entitled shall be such number of Additional Shares the aggregate Subscription Price of which (ruling at the Relevant Period) is equal as nearly as may be to the amount of the dividend to which that Holder is entitled. For the purposes of this Article 106 "Relevant Period" means the Valuation Point preceding the date of payment of the relevant dividend.

- (ii) The cash amount of the dividend on or in respect of Participating Shares held by the Holders shall be paid to the Custodian who shall apply the same in paying up in full the appropriate number of Additional Shares for allotment and distribution credited as fully paid to the Holders. The Directors may do all acts and things considered necessary or expedient to give effect to any such allotment.
 - (iii) The Additional Shares allotted to the Holders shall rank *pari passu* in all respects with the Participating Shares then in issue save only as regards participation in the relevant dividend.
 - (iv) No share certificate will be issued in respect of the Additional Shares unless specifically requested by a Holder, and in such a case the provisions of these Articles in relation to the issue of share certificates shall apply.
- (b)
- (i) Notwithstanding the generality of the foregoing, when making an application for Participating Shares, or otherwise on the acquisition of Participating Shares, each applicant or transferee shall be entitled to elect by service of notice in writing on the Company to receive cash in satisfaction of the whole of any dividends that may be payable on the Participating Shares for which application is made or which are acquired.
 - (ii) Where any such election referred to in sub-paragraph (i) above is in force a holder of Participating Shares may, by serving notice in writing on the Company, revoke that election, which revocation must be received at the Office at least 21 days before the next following Relevant Period to be effective in respect of dividends declared in respect of that date.
 - (iii) An election shall be personal to the holder of Participating Shares concerned in his capacity as a holder and, in respect of any Participating Shares transferred, shall automatically cease to have effect upon registration of the transfer or transmission of the relevant Participating Shares but shall continue in effect in respect of Participating Shares retained.
- (c) A holder of Participating Shares who has made an election in accordance with paragraph (b)(i) shall be deemed to have made an election in respect of any further such Participating Shares registered in his name in the Register in relation to all dividends declared on such Participating Shares, until he revokes such election.
- (d) Without prejudice to but notwithstanding the foregoing provisions of this Article, the Directors may on occasion determine that such right of election to have dividends paid in cash shall be subject to such exclusions or other arrangements as the Directors may deem necessary or expedient in relation to any legal or fiscal problems under the laws of, or the requirements of, any regulatory or taxation authority in any territory.

107. Ranking of Dividends

If any Participating Share is issued on terms providing that it shall rank for dividend as and from or after a particular date, or to a particular extent, such Participating Share shall rank for dividend accordingly.

108. Payment of Dividends by Post

Any dividend or other moneys payable in respect of any Participating Share may be paid by cheque or warrant sent by post, at the risk of the person or persons entitled thereto, to the registered address of the holder or, where there are joint holders, to the registered address of that one of the joint holders who is first named on the Register or to such person and to such address as the holder or joint holders may in writing direct. Every such cheque or warrant shall be made payable to the order of all joint shareholders and payment of the cheque or warrant shall be a good discharge to the Company. Any joint holder or other person jointly entitled to a share as aforesaid may give receipts for any dividend or other moneys payable in respect of the Participating Share.

109. Dividends not to bear Interest

No dividend or other moneys payable in respect of a Participating Share shall bear interest against the Company unless otherwise provided by the rights attached to the Participating Share.

110. Payment to Holders on a Particular Date

Any resolution declaring a dividend on Participating Shares of any class, whether a resolution of the Company in general meeting or a resolution of the Directors, may specify that the same may be payable to the persons registered as the holders of such Participating Shares at the close of business on a particular date, notwithstanding that it may be a date prior to that on which the resolution is passed, and thereupon the dividend shall be payable to them in accordance with their respective holdings so registered, but without prejudice to the rights inter se of transferors and transferees of any such Participating Shares in respect of such dividend. The provisions of this Article shall apply, mutatis mutandis, to capitalisations to be effected in pursuance of these Articles.

111. Unclaimed Dividends

If the Directors so resolve, any dividend which has remained unclaimed for six years from the date of its declaration shall be forfeited and cease to remain owing by the Company and shall become the property of the Company. The payment by the Directors of any unclaimed dividend or other moneys payable on or in respect of a Participating Share into a separate account shall not constitute the Company a trustee in respect thereof.

112. Currency of Payment and Foreign Exchange Transactions

Where payments in respect of subscription or redemption of Participating Shares or dividend payments are tendered or requested in a major currency other than the Base Currency of the relevant Fund, any necessary foreign exchange transactions will be arranged by the Manager for the account of, and at the risk and expense of, the applicant at the time, in the case of subscriptions at the time cleared funds are received, in the case of redemptions at the time the request for redemption is received and accepted, and in the case of dividends at the time of payment.

113. Reserves

Before recommending any dividend, whether preferential or otherwise, the Directors may carry to reserve out of the profits of the Company such sums as they think proper. All sums standing to reserve may be applied from time to time in the discretion of the Directors for any purpose to which the profits of the Company may be properly applied and at the like discretion may be either employed in the business of the Company or invested in such Investments as the Directors may lawfully determine. The Directors may divide the reserve into such special funds as they think fit and may consolidate into one fund any special funds or any parts of any special funds into which the reserve may have been divided as they may lawfully determine. Any sum which the Directors may carry to reserve out of the unrealised profits of the Company shall not be mixed with any reserve to which profits available for distribution have been carried. The Directors may also carry forward, without placing the same to reserve, any profits which they may think it prudent not to divide.

PART XXIII - CAPITALISATION OF PROFITS OR RESERVES

114. Distributable Profits and Reserves

The Company in general meeting may resolve, upon the recommendation of the Directors, that it is desirable to capitalise any part of the amount for the time being standing to the credit of any of the Company's reserve accounts (including capital reserves) or to the credit of the profit and loss account or which is otherwise available for distribution and not required for payment of dividend on any shares with a preferential right to dividend amongst the Members may who would have been entitled thereto if distributed by way of dividend and in the same proportion on condition that the same be not paid in cash but be applied either in or towards paying up in full unissued shares of the Company to be allotted and distributed credited as fully paid up to and amongst such Members in the proportion aforesaid, or partly in one way and partly in the other, and the Directors shall give effect to such resolution.

115. Non-Distributable Profits and Reserves

Without prejudice to any powers conferred on the Directors as aforesaid, the Company in general meeting may resolve, on the recommendation of the Directors, that it is desirable to capitalise any part of the amount for the time being standing to the credit of any of the Company's reserve accounts or to the credit of the profit and loss account which is not available for distribution by applying such sum in paying up in full unissued shares to be allotted as fully paid bonus shares to those members of the

Company who would have been entitled to that sum if it were distributable and had been distributed by way of dividend (and in the same proportions) and the Directors shall give effect to such resolution.

116. Implementation of Capitalisation Issues

Whenever such a resolution is passed in pursuance of either of the two immediately preceding Articles, the Directors shall make all appropriations and applications of the undivided profits resolved to be capitalised thereby and all allotments and issues of fully paid shares, if any, and generally shall do all acts and things required to give effect thereto with full power to the Directors to make such provisions as they shall think fit for payment in cash or otherwise for the case of shares becoming distributable in fractions and to authorise any person to enter on behalf of all the Members entitled thereto into an agreement with the Company providing for the allotment to them respectively, credited as fully paid up, of any further shares to which they may become entitled upon such capitalisation or (as the case may require) for the payment up by the Company on their behalf, by the application thereto of their respective proportions of the profits resolved to be capitalised, of the amounts or any part of the amounts remaining unpaid on their existing shares, and any agreement made under such authority shall be effective and binding on all such Members.

In the event that, as regards any class of Shares, there are insufficient assets available in the relevant Fund to enable such payment to be made, recourse shall be had to the assets of the Company (if any) not comprised within any of the Funds and not (save as provided in the Acts) to the assets comprised within any of the Funds;

The liquidator may, with the like authority, vest any part of the assets in trustees upon such trusts for the benefit of Members as the liquidator, with the like authority, shall think fit, and the liquidation of the Company may be closed and the Company dissolved, but so that no Member shall be compelled to accept any assets in respect of which there is liability and any member may instruct the liquidator to sell any assets, to which he is entitled, on his behalf.
