OBEY AT MIAMI ART BASEL

In early December, Shepard and the crew headed down to Miami for Art Basel. Resident OBEY photographer Jon Furlong was there to catch the action. Among many installations that Shep and the dudes knocked out was a 30' x 20' wall. This piece was handed stenciled over a three day period. Here is a time lapse of the process.

SPENCER ELDEN

From his birth as the Nirvana baby to his rebirth at Obey Giant, we look at Spencer Elden. His career is just getting started and at the age of 19 he has a lot of promise. Assisting Shepard during the day and making his own screen prints he's keeping busy. Do him a favor and buy some stuff from his website.

LOW END THEORY

Here's a Low End Theory documentary trailer courtesy of Green Lab Cinema and Alpha Pup Records, giving a little background on the club and home to the Los Angeles Experimental Beat and Psyche scene. Low End Theory happens every Wednesday at The Airliner in Lincoln Heights (2419 N Broadway, Los Angeles, CA).
