**Acting Under Secretary of Commerce for Intellectual Property and
Acting Director of the United States Patent and Trademark Office**
January 2009 to August 2009

Served as the Acting Under Secretary and Acting Director of the United States Patent and Trademark Office during the change of Administration. As the Acting Under Secretary, advised the President, the Secretary of Commerce, and the Administration about all intellectual property matters. As Acting Director, administered the laws of granting Patents and Trademarks, and the day-to-day management of the \$2.1 billion Agency for over 9,600 employees. Developed and articulated Administration positions on all Patent, Trademark and Copyright issues, both domestic and foreign while promoting strong Intellectual Property policy globally, including strategies to thwart the theft of U.S. Intellectual Property around the world.

**Deputy Under Secretary of Commerce for Intellectual Property and
Deputy Director of the United States Patent and Trademark Office**
November 2008 to September 2009

Assisted the Under Secretary in developing and promoting Administration positions on all Patent, Trademark and Copyright issues domestically and internationally. Served as the Chief Operating Officer in planning, measuring and improving the mission performance and achievement of the Agency. Responsible for maintaining and growing domestic and international leadership roles in Intellectual Property Rights policy by strengthening Intellectual Property protection. Also responsible for providing customers with the highest levels of quality and service in all aspects of Agency operations.

Commissioner for Patents
August 2005 to October 2009

Appointed by the Secretary of Commerce and served as the Chief Operating Officer for all aspects of patent related operations, planning and policy with the mission of properly applying the patent laws and regulations of the United States in the examination of patent applications. Oversaw a budget of \$1.3 billion and a staff of over 7000 employees. Responsible for Patent's strategic planning and execution, budget formulation and execution, information technology systems, staffing, employee development, labor management relations, customer outreach, congressional relations, public advisory committee relations, and patent policy formulation.

Deputy Commissioner for Patent Resources and Planning

January 2005 to August 2005

Responsible for the formulation and execution of the \$900K budget as well as strategic planning for the Patent Office

Special Assistant to the Director of the United States Patent and Trademark Office

March 2004 to January 2005

Provided technical, examination and legal advice on all Patent related issues

Director of Patent Examination Technology Center

August 1992 to August 2005

Responsible for all patent examination issues in the chemistry, pharmaceutical, biotechnology and design art areas

Patent Examiner, Supervisory Patent Examiner, Quality Assurance Examiner

September 1974 to August 1992

Examined and supervised the examination of patent applications encompassing pharmaceuticals, herbicides, pesticides, dyestuffs inorganic chemistry, hydrometallurgy, zeolite catalysts, buckminsterfullerenes, proteins, and peptides

Awards

Department of Commerce Bronze Medal for examination and supervisory accomplishments; a second Bronze Medal for the implementation of Patent Application Location and Monitoring (PALM) system; a Department of Commerce Silver Medal for the development of automated examiner office action tools; the Vice Presidential Hammer Award for establishing the Biotechnology Customer Partnership; a Department of Commerce Gold Medal for implementation of the Image File Wrapper system.
