**SHATTUCK DECLARATION
EXHIBIT 1**

DONNA M. SHATTUCK

ACADEMIC BACKGROUND

PhD Microbiology. University of Virginia, Charlottesville, VA
BA Biology. SUNY, Binghamton, NY

PROFESSIONAL EXPERIENCE

<i>Myriad Genetics, Inc.</i>	Salt Lake City, Utah
Vice President, Population Genetics	2003 - 2009
Vice President Metabolic Disorder Research	1998 - 2003
Research Director	1996 - 1998
Project Director	1994 - 1995
Senior Scientist	1993 - 1994

- involved in the molecular cloning and analysis of genes responsible for predisposition to human disease.

<i>Agridyne Technologies, Inc. (NPI)</i>	Salt Lake City, Utah
Research Manager	1992 - 1993
Senior Molecular Biologist	1985 - 1992

- Involved in a project to identify, purify and clone a plant enzyme with the objective of expressing a gene in a microorganism and recovering the product of the enzymatic reaction.

<i>Washington University</i>	St. Louis, Missouri
Postdoctoral Fellow	1982 - 1985

- Research in collaboration with Roger N. Beachy to characterize the temporal and spatial control of the expression of soybean seed storage protein subunits.

<i>W. Alton Jones Cell Science Center</i>	Lake Placid, New York
Research Assistant	1974 - 1977
