Re: Association for Molecular Pathology, et al. v. U.S. Patent and
Trademark Office, et al., Civil Action No. 09-4515 (RWS)

Dear Judge Sweet:

We are counsel for defendants, Myriad Genetics and the individuals named as Directors of the University of Utah Research Foundation ("Myriad defendants"). As you are aware, oral argument on the pending summary judgment motions, as well as the USPTO motion for judgment on the pleadings, is scheduled for next Tuesday, February 2, at 10:00 am.

In presenting at the oral argument, it may be of assistance to the Court to utilize a PowerPoint presentation. On behalf of the Myriad defendants, we are writing this letter to seek permission to utilize such a PowerPoint (or other visual) presentation should we choose to do so. We have discussed this with counsel for the plaintiffs and they have consented, provided that we provide them with a copy of any presentation by 3:00 pm on Monday afternoon, February 1. In turn, plaintiffs would do the same should they elect to use a PowerPoint (or other visual) presentation at oral argument.

Respectfully,

Brian M. Poissant
