About MCCS

Merchants' Choice Card Services (MCCS) wants to be your partner for credit card acceptance. Located in the heart of New York City, we have satellite offices across the nation. In addition, because of our national credit-card processing volume, we are capable of achieving discount pricing for more than 50,000 merchant clients

How Can MCCS Help You?

MCCS can offer its merchants a variety of services and benefits. In fact, when you use **MCCS**, some immediate benefits include the following:

- * You experience increased profits because you pay your bank less each month to accept credit cards.
- * You have less paperwork because funds are electronically deposited into your existing bank account.* You have peace of mind because we have built-in safeguards that eliminate many of the processing errors you've had in the past.
- * Your investments are safer because all deposits are protected by an FDIC bank.

In addition, we are happy to say that most **M CCS** customers have access to their funds within 2 business days! Can your bank do that?

At **M CCS** , we understand the importance of your cash flow, and we work to provide you with the fastest, most comprehensive, and accurate services possible.

Service After the Sale

M CCS is dedicated to your success, and we offer a **24-hour, 7 day a week, technical support hotline** . Plus, you can use our toll-free number to order additional supplies.

Because our equipment is state-of-the-art, we offer service and fast transaction automation at the point of sale.

M CCS & Put our reliability, dedication, and advantages to work for you.
