Peter,  
Hello, and thank you for your application through our partners at MerchantExpress.com (they referred you to us as replica sales online are considered high risk). Please let me know when a good time to go over more details would be and I'll be happy to give you a call. Our bank is able to approve replica accounts, we do not need to "lie" or hide the fact that the products are replica, which means the account will be able to stay open for the long-term, not just terminated in 2-3 months.

We can place your account with our US high-risk processor, rates are at 2.79—3.5% and .25 cents per transaction, \$10/month statement fee. Setup fee is \$165 for our higher risk accounts, and includes us setting up your gateway account as well as customer support for the life of the account.

Please read more about our services here:

Please let me know if you would like me to forward our application instructions.

Thank you,  
**Nathan Counley**
