THE INVESTIGATION INTO DEFENDANTS

72. Stonegate undertook a diligent investigation of the source of the Counterfeit Products described herein using lawful means and publicly available databases.

73. Acting under my direction, Stonegate agents examined images of the website www.TheBagAddiction.com saved at www.Archive.org. A caption from the website, dated October 26, 2006, shows a copyright notice of Laurette Company, Inc. Attached as Exhibit 15 is a true and correct copy of this archived caption of the website.

74. Stonegate's investigation into Laurette Company, Inc. revealed that it was a Nevada corporation formed on June 27, 2006.

75. On November 14, 2007, Stonegate examined the online corporation database of the Nevada Secretary of State. It identified the President, Treasurer, Director, and Secretary of Laurette Company to be Jennifer Kirk, 3031 Stanford Ranch Road, Unit 2, Rocklin, California 95765. Attached as Exhibit 16 is a true and correct copy of a printout of the online records for Laurette Company dated November 14, 2007 from the Nevada Secretary of State's website.

76. On January 25, 2008, Stonegate re-examined the online corporation database of the Nevada Secretary of State and found that an "Annual List" was filed for Laurette Company, Inc. on December 4, 2007. The President, Treasurer, Director, and Secretary were updated to read, "Jennifer Mattchen, 848 N. Rainbow Boulevard, Suite 1943, Las Vegas, Nevada 89107." Attached as Exhibit 17 is a true and correct copy of a printout of the online records for Laurette Company Inc. dated January 25, 2008 from the Nevada Secretary of State's website.

77. Further investigation by Stonegate agents revealed that the most recent resident address linked to Jennifer Marie Mattchen a/k/a Jennifer Marie Kirk a/k/a Jennifer Besson is 703 Chesterfield Way, Rocklin, California 95765. Telephone directory assistance shows a non-published listing for her at the address. Attached as Exhibit 18 is a true and correct copy of a printout of telephone directory white pages from www.Switchboard.com,

78. Stonegate's search of property records using an investigative database for 703 Chesterfield Way show that the address is a single family residence owned by Patrick B. Kirk. Attached as Exhibit 19 is a true and correct copy of the property records for 703 Chesterfield Way, Rocklin, California 95765.

79. Stonegate's search of property records using an investigative database linked Jennifer Mattchen to two additional properties: 6607 Escallonia Way, Rocklin, California 95765 and 5018 Bradford Drive, Rocklin, California 95765. Both are located in Placer County, California. Stonegate conducted telephone inquiries with the Placer County Assessor's Office. Stonegate's research found no properties owned by Jennifer Mattchen, Jennifer Kirk, or Jennifer Besson. Attached as Exhibit 20 is a true and correct copy of the property records associated with Jennifer Mattchen.

80. Stonegate's search of U.S. District Court records revealed two matters involving Jennifer Mattchen. On April 9, 1998, Jennifer Marie Mattchen filed a Prisoner Civil Rights suit against Lew Kuykendall, Warden. The docket lists her address as 5018 Bradford Drive, Rocklin, California 95765. Attached as Exhibit 21 is a true and correct copy of the docket sheet for *Mattchen v. Kuykendall*, 2:98-cv-00642-DFL-GGH (E.D. Cal. Apr. 9, 1998).

81. On November 30, 2006, Jennifer Mattchen filed a Chapter 7 Bankruptcy Petition pro se. The docket lists her address as 703 Chesterfield Way, Rocklin, California 95765 and provides that she is also known as "Jennifer Besson." Included among the assets listed in her bankruptcy disclosures was a checking account with Patelco Credit Union. Attached Exhibit 22 is a true and correct copy of the docket sheet and petition for Jennifer Mattchen's Chapter 7 Bankruptcy.

Attached as Exhibit 32 is a true and correct copy of a printout of the corporate record for Volusion, Inc. from the California Secretary of State's website.

91. The website www.Volusion.com describes Volusion, Inc.'s business as providing "ecommerce solutions" in many forms, including, but not limited to: "a free website," "integrated shopping cart," "payment collection," "marketing," and "excellent support." Volusion, Inc.'s website advertises its services as allowing its customers to "[a]ccept credit cards for payment directly on your site, and then have those funds placed directly into your bank account." Attached as Exhibit 33 are true and correct copies of printouts from the website www.Volusion.com, describing Volusion, Inc.'s business.

92. Stonegate was unable to determine from the public record Volusion, Inc.’s specific role in designing, directing, and supporting Defendants’ infringing conduct, but it is possible that Volusion, Inc. plays a direct role in Defendants’ trademark infringement.

93. According to www.TheBagAddiction.com, the website is a “verified Authorize.Net merchant.”

94. The “Authorize.Net” hyperlink describes Authorize.Net as “committed to providing its merchants with the highest level of transaction processing security, safeguarding customer information and combating fraud.” Show below is a true and accurate image of www.TheBagAddiction.com’s Authorize.Net merchant verification.

95. The website www.Authorize.net describes Authorize.Net as a “leading provider of payment gateway services, managing the submission of payment transactions to the processing networks on behalf of merchant customers.” Authorize.Net is owned by CyberSource Corporation, “a leading provider of electronic payment and risk management solutions.” Attached as Exhibit 34 is a true and correct copy of a printout from the website www.Authorize.net, describing Authorize.Net’s business.

96. Stonegate was unable to identify records of accounts with any financial institutions in the names of Laurette Company, Inc., Jennifer Marie Mattchen, Jennifer Marie Kirk, Jennifer Besson, or www.TheBagAddiction.com. Because of banking and privacy laws and the related practices of financial institutions, Stonegate cannot obtain such information without an appropriate court order.

97. Stonegate has also reviewed publicly available databases for information that may relate to the Defendants and made repeated attempts to learn what additional information, if any, may be available about the Defendants. Because of the nature of Defendants’ activities, such information is not easily obtained and requires repeated inquiries over time to ensure that Stonegate has correctly identified the parties responsible for the Counterfeit Products.

98. Stonegate has not been able to find any evidence of where Defendants store or maintain their inventory of Counterfeit Products. Stonegate has found no evidence that Defendants maintain a warehouse or other storage facility in the United States. To the contrary, it appears that Defendants separately ship their Counterfeit Goods from Asia on a per order basis.

DEFENDANTS’ PROFITS

99. It is clear from the above-described facts that Defendants are engaged in willful and unlawful acts of trademark counterfeiting. It has been Stonegate’s experience that most sellers

of counterfeit trademark goods such as those of Defendants establish multiple accounts with financial institutions in multiple names with the express intent of making it difficult to find and recover the profits of their counterfeiting activities.

100. Based on this experience, it is my opinion that Defendants will likely fit within this description, and if they learn of the above-captioned action, they will take immediate steps to move all of their assets out of the accounts identified in this declaration and into other accounts that are either unknown, outside the United States, or both.

I declare under penalty of perjury that the foregoing is true and correct. Executed at New York, New York, May 29, 2008.
