**Re: Domino Recording Company, Inc., et al. v. Interscope Geffen A&M Records, et al.,
Case No.: 09 CV 8400 (GBD)**

Dear Judge Daniels:

I write on behalf of all parties to respectfully request an adjournment of the status conference, which is scheduled to take place on October 7, 2010 at 9:00 a.m., and an extension of the deadline to complete liability discovery, which is currently October 29, 2010. The parties have been engaged in liability discovery. However, due to the location and other professional commitments of the witnesses involved in this case, the parties will not be able to complete the remaining liability discovery by the current October 29th deadline. Accordingly, the parties agreed that it would be appropriate to request an extension of liability discovery through the end of November, 2010 and an adjournment of the October 7th status conference to Friday, November 12, 2010 or some other time that is convenient to the Court. We respectfully submit a Revised Scheduling Order to that effect and jointly request that Your Honor *so order* the Revised Scheduling Order.

We thank the Court for its consideration.

Respectfully submitted,

Carletta F. Higginson
