DEPOSITION OF SERGEANT RASHEENA HUFFMAN,  
pursuant to Subpoena, taken at the above  
place, date and time, before DENISE ZIVKU, a  
Notary Public within and for the State of  
New York.

2 Q. You can omit reading the rest of  
3 that entry. That's just particular about an  
4 individual. Thank you.

5 These activities here vouchering  
6 certain items, was that something that was  
7 within the scope of Schoolcraft's duties at  
8 the TS desk?

9 A. Yeah, at TS desk, yeah.

10 Q. With are the duties of somebody  
11 who is stationed at the TS desk as of  
12 October 2009?

13 MS. PUBLICKER METHAM:

14 Objection. You can answer.

15 A. The TS operator, they answer the  
16 phones, they help complainants that come  
17 into the precinct at the window and they get  
18 the property for the complainant. Like  
19 let's say -- not even complainant.  
20 Individual was arrested and now he's coming  
21 to pick up his property. Then the TS  
22 operator may go into the property room, get  
23 the property, come to me and then I'll look  
24 at it, signed it off and put it in the log  
25 and he'll give him back the property.

Q. So this is a reference that Officer Schoolcraft doing that, correct?

A. Yes.

Q. As the TS operator, is that person also responsible for vouchering evidence and firearms and paraphernalia?

MS. PUBLICKER METHHAM:

Objection. You can answer.

A. No, not responsible for it. That stuff is usually the arresting officer.

Q. So the TS desk vouchers evidence?

MS. PUBLICKER METHHAM:

Objection. You could answer.

A. It depends on the situation. Evidence is -- when you say evidence, there is arrest evidence. The arresting officer normally does that. Not the TS operator. The TS operator usually gets the property that someone comes into the command to retrieve and they get it out the property room and give it back to them. That's just for safekeeping.

Q. Have you seen the TS officer at

1 RASHEENA HUFFMAN

2 A. I believe he said that.

3 Q. Did you say something in  
4 response to that?

5 A. I don't remember what I said in  
6 response. I know that he put a sick report  
7 in my hand. I'm like sick report, you know,  
8 that's not what people do. That's not  
9 common.

10 Q. I think I have -- we have an  
11 excerpt that we're going to play back. See  
12 if you can help us in what was said between  
13 you and Officer Schoolcraft. While we're  
14 opening that up --

15 A. Okay.

16 Q. -- let me ask you some more  
17 questions about this entry in the command  
18 log. There's an entry here that says I  
19 explained that if he's sick a supervisor has  
20 to approve. Do you see that reference?

21 A. Yes.

22 Q. Okay. What's that based on that  
23 a supervisor has to approve if he's going  
24 sick?

25 MS. PUBLICKER METTHAM:

1 RASHEENA HUFFMAN

2 Objection.

3 A. Yes, pretty much he can't -- an  
4 officer can't just come and say I don't feel  
5 well, I'm going sick and just leave.

6 Q. Okay. When you put down this  
7 entry a supervisor has to approve, you're  
8 referring to yourself?

9 A. Yes, me, sick desk supervisor.  
10 When you go sick if you want to go  
11 administratively sick then you get  
12 permission from the desk. If you go regular  
13 sick, then you got to go to the district  
14 surgeon, which if you went regular sick to  
15 the medical division.

16 Q. I just want to understand. It  
17 says here a supervisor has to approve. Were  
18 you referring to you having to approve or  
19 somebody else having to approve him going  
20 sick?

21 A. Depends on what sick you go.

22 Q. No. No. What I want to know is  
23 what's in your mind here. You said that you  
24 explained to him that a supervisor has to  
25 approve his request to go sick? See that

1 RASHEENA HUFFMAN

2 entry there?

3 A. And I explained that --

4 Q. What I want to know is what  
5 supervisor are you referring to when you  
6 made --

7 A. It's the supervisor in general.

8 Q. You've got to let me finish the  
9 question. This entry in the command log and  
10 it says I explained that if he's sick a  
11 supervisor has to approve.

12 A. Yes.

13 Q. Okay. What I want to know is  
14 what supervisor are you referring to when  
15 you made that entry in the command log?

16 A. Doesn't have to just be me,  
17 could be a supervisor in general.

18 Q. I'm not asking about a  
19 theoretical potential answer to my question.  
20 I want to know what you were thinking when  
21 you wrote this entry?

22 MS. PUBLICKER METHAM:

23 Objection. Asked and answered. She  
24 testified to what she was thinking  
25 which was any officer.

MR. SMITH: No, please don't provide her with her answers --

MS. PUBLICKER METTHAM: This is what she testified to three times.

MR. SMITH: Please, it's not.

Q. What supervisor were you referring to when you made this entry?

A. When I made this statement, like I said, I said in quotes, he comes to the desk and I explained if he's sick a supervisor has to approve. A supervisor could be me, it could be a lieutenant, it could be the sick desk supervisor, it could be district surgeon. It's a supervisor.

Q. Okay. Did you give him approval?

A. No, I did not.

Q. Why not?

A. Because he did not request sick from me.

Q. I thought you said he put a slip on your desk --

A. You can't do it that way. You can't just fill out a sick report on your

1 RASHEENA HUFFMAN

2 A. Yes.

3 Q. Why did you make the entry sick  
4 desk Sergeant Baer, B-a-e-r?

5 A. I don't know. Maybe I spoke to  
6 a supervisor there and wanted to put the  
7 name of the supervisor. I don't know.

8 Q. What is the entry -- can you  
9 read the entry on the first page of  
10 Plaintiff's Exhibit 26, the handwritten  
11 entry by you?

12 A. Sergeant Huffman called P.O.  
13 Robert sick desk at 14:30 hours, states P.O.  
14 Schoolcraft didn't call in sick.

15 Q. Why did you call the sick desk  
16 at 14:30 hours?

17 A. Because he left the precinct  
18 without going sick the proper way.

19 Q. If he had called the sick desk,  
20 would that have been the proper way?

21 A. I called to see if he went sick.

22 Q. You're not answering my  
23 question, ma'am. I said if he had called  
24 the sick desk, would that have been the  
25 proper way?

MS. PUBLICKER METTHAM:

Objection. You can answer.

A. If he had called the sick desk, he would still have had to speak to a supervisor and let them know that he was not feeling well and then after that we would call the sick desk and speak to the sick desk and let them know that we have a MOS that's, either A, being treated at the precinct by EMS or going to a hospital and is requesting to go sick.

Q. So the answer to my question is no, if he had called the sick desk that still would not have been the proper way to go sick; is that right.

MS. PUBLICKER METTHAM:

Objection. Objection. Asked and answered. You can answer again.

A. I still had to check to see if he called the sick desk.

Q. What's that based on?

MS. PUBLICKER METTHAM:

Objection. You can answer.

A. What happened?

1 RASHEENA HUFFMAN

2 A. Hmm-hmm.

3 Q. Can you remember what the next  
4 thing that happened with respect to  
5 Schoolcraft?

6 A. I know that I had to have  
7 notified a supervisor, who exactly it was  
8 and how I did, I don't remember.

9 Q. Did somebody tell you to call  
10 the sick desk?

11 A. Yes.

12 Q. Who?

13 A. I believe it was Inspector  
14 Mauriello.

15 Q. You remember that part?

16 A. I believe. It could have been  
17 Captain Lauterborn. I don't remember  
18 exactly who it was, but I had to call to  
19 check to make sure that if he went sick, was  
20 he out sick, what's going on with him.

21 Q. And what was the next thing you  
22 remember doing with respect to Schoolcraft?

23 A. I believe I had to call his cell  
24 phone or his house phone and see if can get  
25 him back to come to the precinct and do it

the right way. I believe I had to call his house or something like that and left a message for him. Tell him to call the precinct or come back.

Q. Did somebody tell you to make a phone call to Schoolcraft?

A. A higher supervisor.

Q. Do you remember which one?

A. Either Captain Lauterborn or Inspector Mauriello, I believe.

Q. Did you leave a message with Officer Schoolcraft?

A. I believe I did.

Q. And what did you say in that message or messages?

A. I don't know exact words, but if you could call the precinct, get in contact with us, come back to the precinct, go sick the proper way. It was a message. I didn't verbally speak to him.

Q. Okay, so you left a message on his voice message?

A. Yes.

MR. SMITH: Can you read back
