1                                   Khin Mar Lwin, M.D.

2           Q       And what does it mean, "Consultation with  
3 follow-up"? What does that mean?

4           A       If the medical ER is asking for the  
5 consultation, and they would like us to do the  
6 follow-up of the patient.

7           Q       It says here in the first line,  
8 "24-year-old single, white male." Do you see that?

9           A       Yes.

10          Q       What was the basis for this statement of  
11 yours?

12          A       At the time, he was single.

13          Q       Do you remember asking him that question  
14 or is this based on your discussions with the  
15 patient?

16          A       Based on the discussion with the patient.

17                                   (Indicating.)

18          Q       How long was your discussion or  
19 consultation with the patient in this case?

20          A       I don't remember.

21          Q       Do you have any idea, looking at this  
22 document, how long your consultation was?

23          A       The whole consultation, you mean? I mean,  
24 not only discussion with the patient but also the  
25 discussion with the police officer also?

1 Khin Mar Lwin, M.D.

2 Q Yes.

3 A The whole, I think at least half to one  
4 hour.

5 Q So you believe that --

6 A Half hour to one hour.

7 Q I'm sorry?

8 A 30 minutes to one hour.

9 Q In the 30 minutes to one hour was how much  
10 time you spent talking to the patient and to the  
11 police officer?

12 MS. PUBLICKER-METTHAM: Objection.

13 A I don't -- you mean the police officer?

14 Q Yes.

15 A I don't remember, particularly.

16 Q Who did you speak to in creating this  
17 document?

18 A This patient and this Sgt. James.

19 (Indicating.)

20 Q Who was Sgt. James?

21 A I asked the name of the police officer,  
22 and then I wrote it down. I don't know who -- I  
23 mean, I don't remember.

24 Q Did your asking the police officer for  
25 their name or are you just basing that statement on
