1365	240.0	1/23/12	Vincent Parco, PI	Called a number of contacts that might have direct, secondary or tertiary knowledge of the subject matter of this investigation. I find this method conserves resources by "throwing out a net," to my various contacts and wait to see what it yields. This passive method of investigation is reactionary waiting for my, "contacts," to reach out to me should they encounter anything that might be relevant. Given the publicity of this matter there should be no problem initiating this type of investigation.	1.500
1366	1828.0	01/23/12	NB	Letter to Greg Radomisli enclosing auths for medicaid records and disclosing lost earnings	0.250
