

UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF NEW YORK

-----X

ADRIAN SCHOOLCRAFT,

10-cv-6005 (RWS)

Plaintiff,

**SUPPLEMENTAL
AFFIRMATION OF
NATHANIEL B.
SMITH**

-v-

CITY OF NEW YORK, et al.,

Defendants.

-----X

Nathaniel B. Smith, being an attorney admitted to practice law in this State and before this Court, hereby states and declares under the penalties of perjury that the foregoing is true and correct:

1. As one of the attorneys for the plaintiff in the above-referenced action, I am submitting this affirmation in further support of the plaintiff's application for reasonable attorneys' fees, costs, and expenses of this action.
2. Attached hereto is revised chart reflecting the fees and expenses being sought by the "Smith group," as defined in the motion

papers. The only substantive modification to the chart that I submitted with my reply declaration was to update the fees sought to include a request for “fees on fees” for 106 hours of additional time that I billed in this action since filing the initial motion for fees on December 16, 2015. In addition, I am attaching my time records reflecting those hours. The time entries were made me personally into an internet-based software program know as “Time59,” which I have been using since the beginning of this year. The entries are regularly made by me at the time the work was done or at the end of the work day, and these records are made, kept and maintained by me as a regular part of my practice.
