Re: Safflane Holdings Ltd. et. al. v. Gagosian Gallery, Inc., 11-cv-01679-DLC

Dear Judge Cote:

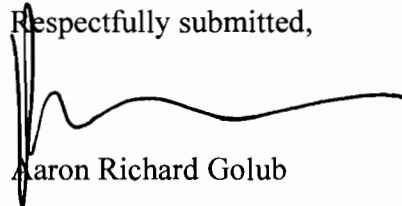

On Friday, July 15, 2011, pursuant to Paragraph 4 of the Pretrial Scheduling Order, dated May 16, 2011, plaintiffs filed their Second Amended Complaint ("SAC"). On Sunday July 17, 2011, this office discovered minor typographical errors in the paragraph cross-references contained in ¶¶ 18(v), 20, 65, 71, 81, 85, 87, 94 and 102 of the SAC and have prepared a Corrected SAC, a redline of which is enclosed herewith. No substantive changes were made.

Plaintiffs apologize for inconveniencing the Court in making this application but wish to have a corrected pleading on file and thus respectfully request that the Court endorse this letter application to file and serve a Corrected Second Amended Complaint.

Counsel for defendant Gagosian Galleries, Inc. was advised on Sunday July 17, 2011, of the above-referenced typographical errors and have advised this office today that they do **not** oppose plaintiffs' application.

Granted.
Denise Cote

Respectfully submitted,
