In my next venture, I'll take your 500 bucks and put in some of my own and we'll see what happens. Are you around any other day this week? I need a Raj fix.

My man, you are a dating machine. Dang. I take off on wednesday for the holidays but am back on the 28th. Will you be around?

First the cash buyout, and now dodging the Madoff bullet. You guys rock. If you took \$500 investors, I'd give you my \$500 in life savings!

Raj
