Dear Bonnie:

Following up on David Shaiman's August 17 email below, attached as a Microsoft Excel spreadsheet is the supplementary information you requested in response to Interrogatory No. 9 in Defendant's Second Set of Interrogatories. Because of the 11 MB size of the attachment, please reply to confirm receipt.

Please note that this spreadsheet contains updated information regarding the ipicturebooks imprint on one tab, and information about the ibooks imprint on another tab. The ipicturebooks data contained in the attached supersedes the data contained in the spreadsheet sent by David Shaiman on Friday, August 17, which inadvertently omitted certain information; the Excel spreadsheet sent to you on August 17 can accordingly be disregarded.

In addition, please note that, in the process of preparing this data, our clients identified two minor errors in their sales data previously provided to Defendant. First, in December 2004, sales of "I, ROBOT SPECIAL SALE" (row 35050 in the "ibooks" tab in the attached) were inadvertently omitted. Second, cost of sales was previously undercounted in 2005. These numbers have been corrected in the attached document pursuant to Fed. R. Civ. P. 26(e).

Please let us know if you have any questions.

Thanks,
Partha

Dear Bonnie,

Consistent with my letter of August 3, 2012, although Plaintiffs continue to believe that they have already complied fully with their obligations by their Responses and Objections to Apple Inc.'s Second Set of Interrogatories, Plaintiffs make this supplemental response as a courtesy, and without waiving their position.

As such, and pursuant to my email of Wednesday, August 15, please find attached part one of Plaintiffs' Supplemental Response to Interrogatory No. 9. The attached spreadsheet contains the information for the ipicturebooks imprint. We hope to be able to provide you with part two of Plaintiffs' Supplemental Response to Interrogatory No. 9 containing the information for the ibooks imprint early next week.

Because of the size of the attachment to this email, please confirm receipt.

Best,
David
