The Complete Voodoo Moon Trilogy by Cheri Scotch

"What Anne Rice has done for vampires, Cheri Scotch is about to do for werewolves...stunning...action-packed...a must-read book."—*Rave Reviews*

"A delightful boiling cauldron of werewolves, Voodoo queens, black magic and zombies... [Scotch] has established herself as the new reigning queen of chilling, erotic horror."—Ray Garton, author of *Live Girls* and *Dark Chunnel*

"A fast-paced story that reveals the secret life of the modern-day werewolf amidst the rich decadence of New Orleans..."—Lori Herter, author of *Obsession*

"Terrific new talent Cheri Scotch once again delivers....With the second book in her trilogy, Cheri Scotch continues to bring her unique interpretation of the complex and fascinating world of the werewolf to light."—*Romantic Times*

Now, for the first time in one volume, the ground-breaking trilogy described as being "reminiscent of Anne Rice's vampire stories" brings you into the world of a New Orleans werewolf clan.

Sylvie Marley, a rare creature drawn to the Moon and the night with the urge to run wild in the bayous, finds herself falling in love with the young, handsome Lucien Drago, son of the Duch ess de Marais...and, as she will learn, a werewolf. She too could choose the life of a lycanthrope, called as she is by the spirit of the Moon and the family's werewolf curse. However, as she struggles between the life that she knows and the life that could be, the choice may be stolen from her by a madman seeking power as the new king of the Voodoos....

Cheri Scotch grew up in Dallas and New Orleans, and currently lives in Salem, Massachusetts. She studied journalism at the University of Texas and fiction at New York University. She is the author of an on-line novella, *In the House of Dreams*, and several non-fiction works under the name Lilith McLelland. Cheri's website is: <http://www.cheriscotch.com>
