THE NEW AND EXPLOSIVE POLITICAL THRILLER!

AS FRESH AS TODAY'S HEADLINES
WITH A TERRIFYING PREMISE THAT
IS DRAMATICALLY INTENSE AND
SHOCKINGLY REAL

"Grossman has done a lot of research on everything from political infighting to clandestine military operations, and he manages to hold reader interest right up to the inevitable conclusion."

—*Publishers Weekly*

In the midst of a heated presidential campaign, Secret Service Agent Scott Roarke gets an assignment that turns his world upside down—and his investigation uncovers a plot so monstrous that it could change the course of America's future.

Through a seemingly innocuous piece of evidence, Roarke discovers that the presidency is the ultimate prize in a secret high-stakes international plot. It is a power play so well-conceived that even the U.S. Constitution itself is a tool designed to guarantee the plot's success.

Boston attorney Katie Kessler joins Scott in his quest to prevent the unthinkable—the control of the office of the President of the United States by a hostile foreign power. With the election clock ticking, they also know that it will take a miracle to stop the takeover from happening.

SCIENCE FICTION

"Bester was an 8-lane turnpike interstate freeway running full-tilt-boogie North *and* South, at the same time. Never his like before; never his equal since."

—Harlan Ellison

AN EXTRAORDINARY NEW COLLECTION BY ONE OF SCIENCE FICTION'S GRAND MASTERS

Before his untimely death in 1987, Alfred Bester had established himself as one of the world's greatest science fiction writers. From radio to television, short fiction to full-length novels, he created a body of work that will be continued to be enjoyed by generations of readers for all time.

Now, *redemolished* brings together, for the first time in one volume, the full range of his genius:

- The never before printed, complete 3,000 word prologue of his classic novel *The Demolished Man*
- The extraordinary classic science-fiction tale, "Hell is Forever"
- Bester's shocking pre-cyberpunk stories, such as "The Four Hour Fuge"

Included in this special edition are Bester's writings on such noted celebrities as Woody Allen, Rex Stout, and Isaac Asimov

- Edited by Richard Raucci
