### Book Description

Publication Date: June 11, 2012

SWAT sniper Ben Geller and his family have a lot on their plate. They were victims of a recent hostage siege, their debts far outweigh their earnings, and they're trying to adopt a troubled young African-American boy. So the last thing they need is to be stalked by a madman with a grudge, a creative imagination, and fifteen million dollars.

Ben has other problems as well. Of the three ladies in his life, the only faithful one is his eight-year-old daughter. The other two--the wife he thought he knew, and the badge-wielding girlfriend who's maybe just a little too possessive--are both full of surprises. When the stress gets to him, and his job is threatened by an excessive force complaint, Ben realizes he's lost all control of his life.

Then things begin to change for the better, leaving Ben back in full control. But better isn't always what it's cracked up to be, and Ben soon realizes control isn't just something he's lost, it's something he never had.

#### About the author:

Barry W. Ozeroff is veteran police officer with 21 years of service. Barry is a former SWAT sniper and is currently the lead negotiator for the East Metro Special Emergency Response Team in Gresham, Oregon. Barry is the father of six grown children, and has three grandchildren. He and his wife live in the Portland, OR area. RETURN FIRE is the sequel to his first novel SNIPER SHOT (2005). Barry's second novel, THE DYING OF MORTIMER POST, was published in 2010. Look for more police thrillers from Barry in the near future.

#### Biography

I have been a police officer for 26 years. I am a former SWAT sniper and am currently a hostage negotiator. I moved from my hometown of Warren, OH to San Diego in 1986 and joined the La Mesa, CA Police Department, where I worked until 1992. I then moved to the Portland, OR area, and have worked for the Gresham Police Department ever since. I am married and have 6 children ranging in age from 33 to 18,.

My first book, Sniper Shot, a SWAT novel, was published in 2005, and my second book, The Dying of Mortimer Post, a story about a troubled Vietnam veteran's 30-year LAPD career, was published in 2010. My most recent book, Return Fire (the sequel to Sniper Shot) was published in August 2012.

If you like reading books you lose sleep over because it's impossible to put down, GET THIS BOOK! The author did an amazing job picking up where Sniper Shot left off. From beginning to end, there is never a dull moment and every detail is extremely accurate. If you have ever thought of becoming a cop, Return Fire and Sniper Shot give a great inside look at the life of a police officer and the struggles each of us face daily from domestics, to stand offs to the dreaded court room. Because the author is a police officer himself, there is no "guess work" in what might happen next. It's the way it is in the real world. Looking forward to more police novels in the future from this author. If you wear the badge, support the author and grab this book. If you are just looking for a book that will get your heart racing and not let you put it down until you hit the last page, GET THIS BOOK!

★★★★★ **A Must Read** December 12, 2012

By R. Peterson

Format: Paperback

Once you open this book you will not put it down. Barry Ozeroff is a brilliant author and his books will keep you on the edge of your seat from start to finish with twists and turns that you will not see coming. The Geller family seems to be plagued with emotional whiplash and never seem to be able to catch their breath before being plunged into another crisis. Return Fire is the sequel to Sniper Shot which was every bit as exciting as Return Fire. This author also wrote a book entitled The Dying of Mortimer Post which has a completely different story line but is every bit as captivating. As for Return Fire I would love to see a trilogy but will always be first in line to purchase the books written by this author. Due to this author's background in police work his stories, although fictional, are believable and you will feel a full range of emotions surrounding the characters in all of these stories. Barry Ozeroff's books are entertaining, riveting, gripping, suspenseful, sensual and exciting and I am looking forward to many more to come.
