NEW SERIES, VOLUME 43

PREFACE

The Catalog of Copyright Entries is published in four parts. Part 1, Group 1, formerly issued monthly, but issued as an annual for 1946, contains the titles of books proper, including the titles of books registered for ad interim copyright; a list of renewal registrations; and an index.

In the first section, books proper registered in Class A in 1946 are arranged alphabetically by the names of the authors, or, if anonymous, by title. The abbreviations used in the copyright statement in this Group are as follows: "A", Books manufactured in the United States; "A for." (or AF), Foreign books in foreign languages; "A ad int. (or AI) designates ad interim copyright registration of a book published abroad in the English language. In the copyright data the symbol "©" is followed by date of publication, the name and address of the copyright proprietor and the registration number. (In some entries, date of publication is preceded by the abbreviation "Pub." instead of ©). When the author and copyright proprietor are the same, or when the publisher and proprietor are the same, the word "author" or "publisher" is substituted for the name of proprietor in the copyright statement. In some cases an asterisk (*) is used after the author's name to indicate that he is also the copyright proprietor. "2c" for 2 copies or "1c" for 1 copy is followed by date of receipt in the Copyright Office. The date of receipt of copies is given when copies are deposited prior to date of publication and when the deposit of copies is in a different year from that of publication or of the year covered by this catalog. Dates are given in the order of month, day, year, except when the style "27Nov46" is used.

The second section consists of a list of renewal copyright registrations made for books under the provisions of section 23 of the act of March 4, 1909 (17 U. S. C. 23) This list is arranged by the names of the authors of the works renewed, and includes cross-references from joint authors, etc. Abbreviations (in parentheses) after the name of the renewal owner indicate the following: A - Author, W - Widow of the author, WR - Widower of the author, C - Child or Children of the deceased author, E - Executor (s) of the author, NK - Next of kin of the author, who is not living, there being no will, PPW - Proprietor of a posthumous work, PCW - Proprietor of a composite work, PCB - Proprietor of a work copyrighted by a corporate body otherwise than as assignee or licensee of the author, PWH - Proprietor of copyright in a work made for hire.

The last section of this volume consists of an index to joint authors, illustrators, and the like, of the works listed in the first section. It contains no references to the renewal section, in view of the fact that that section is self-indexed.

The Catalog of Copyright Entries, Part 1, Group 2, contains the titles of pamphlets, leaflets, and contributions to periodicals, and all other productions registered under the designation "book" (Class A) not found in Group 1. Group 2 also contains in a separate alphabet the titles for the entries made for Maps. (Class F)

In the case of every copyright entry listed in this Catalog the deposit of copies (or copy) as required by Sec. 12 and 21 of the Copyright Act of March 4, 1909, as amended (17 U. S. C. 12, 21) has been made.

Section 56 of the Act of March 4, 1909 (17 U. S. C. 56) provides that the Catalog of Copyright Entries "shall be admitted in any court as prima facie evidence of the facts stated therein as regards any copyright registration."

The cost of Part 1, Group 1, shown below, is payable in advance to the Superintendent of Documents, Washington 25, D. C., by postal money order, express order, or New York draft. The prices of the several parts of the Catalog of Copyright Entries for 1946 are as follows:
