MEMO ENDORSED

Re: Capitol Records, LLC v. ReDigi Inc., 12 cv. 0095 (RJS)

Dear Judge Sullivan:

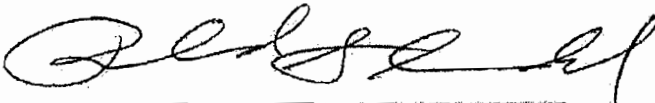

We represent plaintiff Capitol Records, LLC ("Capitol") in the above-referenced action and write jointly with counsel for the defendant, ReDigi Inc. ("ReDigi"). The parties jointly request a four day adjustment of the current briefing schedule for summary judgment motions in order to accommodate counsel's vacation schedules. The parties propose that summary judgment opposition papers would be due on August 14 instead of August 10, and that reply papers would be due on August 24 instead of August 20. This schedule would still result in briefing being completed six weeks in advance of oral argument, which has been scheduled for October 5, 2010.

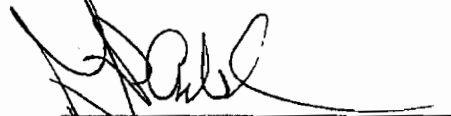

The parties also jointly request that opposition and reply papers be conditionally filed under seal in accordance with the same procedure approved by the Court in connection with the moving papers. In order to avoid duplicative sealing motions, the parties request that they be permitted to make the required follow-up submissions supporting sealing of any of their confidential material contained in either opposition or reply papers by August 31, 2012, one week after the proposed new deadline for completion of all briefing on the summary judgment cross-motions.

We thank the Court for its attention to this matter.
