Dear Dan:

Enclosed is a screenplay by Mario Puzo for a "Godfather" prequel and sequel. It was found after Mario's death.

The Puzo Estate is making a deal to publish a novel based on the screenplay's 61 pages of 1930s "back-story." As presently planned, the remainder of the screenplay dealing with "current" action will not be in the book.

If Paramount is interested in a potential film, please let me know.

Regards,

BERTRAM FIELDS
