Ted,

Thanks very much for your timely response and the offer of interviews with Mr. Moyer and Mr. Levoff next Monday, November 18. We accept. We are hopeful that once you advise the company that we will be conducting these interviews on Monday, other people whom we have identified, or whom you have suggested, will become available on Monday, Tuesday, or even Wednesday. I think it is very much in the company's interests for us to meet, if only briefly, those people with whom we will be having the most contact over the next two years.

Please let us know whether we should be prepared to conduct the interviews Monday morning or Monday afternoon. Also, we would very much appreciate obtaining the materials we originally requested on October 22, especially those most relevant to Mr. Moyer's and Mr. Levoff's responsibilities, as soon as possible.

Please let us know if the company has any suggestions on hotels where we should try to make reservations.

Again, thanks very much for your cooperation in this matter.

Best regards.

Dear Michael:

It was good speaking with you yesterday. I have confirmed that Apple would be able to make available for 1-hour interviews on Monday November 18 Tom Moyer, who is Chief Compliance Officer and Head of Global Security, and Gene Levoff, who serves as Senior Director, Associate General Counsel - Corporate Law - and Assistant Secretary, Legal Counsel to Audit and Nominating and Corporate Governance Committee, Liaison to Board of Directors, and Counsel to Risk Management Committee. While

they would be able to cover many of the topics you have expressed interest in discussing at the outset of your work, we strongly encourage you to hold off and make the trip the week of December 2 or December 9, when Apple can make a fuller slate of folks available to you, including Bruce Sewell, who will be attending the Samsung trial next week, and Deena Said, the new Antitrust Compliance Officer, who will be starting her job at the company and attending new employee orientation next week, along with other relevant members of the legal and business teams mentioned in my prior correspondence. Apple respectfully submits that this will be more efficient and effective in getting you the information you seek and in working together to ensure that the company has comprehensive and effective antitrust compliance and training programs. Regards,

Ted
