**Re: *United States v. Apple, Inc. et al.*, No. 12-CV-2826**

Dear Judge Cote:

We write on behalf of the United States to submit two courtesy copies of the following documents filed today regarding the above-referenced case:

1. Complaint
2. Stipulation and Proposed Final Judgment
3. Competitive Impact Statement
4. Plaintiff United States' Explanation of Consent Decree Procedures

Please note that these filings reflect that the United States has reached a settlement with Defendants Hachette Book Group, Inc., HarperCollins Publishers L.L.C., and Simon & Schuster, Inc., and that the United States will proceed to litigate this case against the remaining named Defendants.

The procedure for settlement is set forth in the attached Explanation of Consent Decree Procedures. Pursuant to the Antitrust Procedures and Penalties Act, 15 U.S.C. § 16(b)–(h) (the “Tunney Act”), members of the public have an opportunity to comment on the proposed antitrust settlement before it is entered by the Court. During the comment period, the United States will publish its proposed Final Judgment and Competitive Impact Statement in the Federal Register. When the requirements of the Tunney Act have been satisfied, the United States will promptly file a motion for entry of the proposed Final Judgment.

We thank the Court for its consideration of this matter.

Respectfully,

s/ Daniel McCuaig
