No. 14 Civ. 7694 (JFK)
OPINION & ORDER

JOHN F. KEENAN, United States District Judge:

This order addresses Plaintiffs' July 19, 2017 letter requesting an extension to file a motion to amend until fourteen days after the Court renders a decision on Plaintiffs' pending motion for reargument of the Court's June 20, 2017 opinion and order dismissing without prejudice the amended complaint. Plaintiffs also filed a notice of appeal from the Court's June 20, 2017 order on July 19, 2017. Accordingly, the Court reserves decision on Plaintiffs' motion for reargument until the Second Circuit renders a decision on Plaintiffs' appeal. Plaintiffs' request for an extension to file a motion to amend is GRANTED and their time to move to amend is stayed pending the Second Circuit's decision.

SO ORDERED.
