Third-party
Plaintiffs,

-v-

LEWIS TREE SERVICE, INC.,

Third-party
Defendant.

PAUL A. ENGELMAYER, District Judge:

Fact discovery in this case is set to end today. This morning, the parties requested a *three-month* extension of the deadlines for fact discovery, expert discovery, and submission of the final pretrial order. Dkt. 193. This is the parties' third request for an extension.

This last-minute request is denied as excessive and unjustified. However, the Court will grant a final one-month extension of each deadline. The new deadlines are as follows:

- Fact discovery is to be completed by January 15, 2016.
- Expert discovery is to be completed by March 1, 2016.
- The final pretrial order shall be submitted to the Court by March 9, 2016.

The parties should expect no further extensions. In light of these extensions, the case management conference, previously scheduled for January 12, 2016, is adjourned to Tuesday, February 16, 2016, at 5:00 p.m. Because the Court has a busy trial schedule in February, this conference date and time cannot be moved. Lead counsel for each party is directed to attend.

SO ORDERED.

United States District Judge
