**ORDER NO. 170**

JESSE M. FURMAN, United States District Judge:

**[Regarding the Closure of Certain MDL 2543 Member Cases]**

The Court understands that, in many of the member cases in this multidistrict litigation, the plaintiffs' claims have already been dismissed (in many instances following settlement, but occasionally by other means), and there are no open claims remaining. Nevertheless, these cases still appear to be open, if only as a technical matter, on the Court's docket. The attached Exhibit A identifies 52 actions currently open on the Court's docket in which plaintiffs' claims have apparently already been dismissed.

Accordingly, the Clerk of Court is directed close the cases listed in Exhibit A. Any party who believes that a case has been erroneously closed by this Order shall, no later than **June 18, 2020**, file a letter motion to re-open the case and explain why the case should remain open. Any party opposing a motion to re-open one of the cases closed pursuant to this Order shall file a response brief within **10 days** after the motion to re-open is filed. Nothing in this Order shall be construed as a judgment under Federal Rules of Civil Procedure 54 or 58, nor shall this Order be construed as re-opening the time for seeking post-judgment relief or filing an appeal.

SO ORDERED.

Dated: June 1, 2020  
New York, New York
