MEMO ENDORSED

Re: Pruter v. Local 210, International Brotherhood
 of Teamsters, et al., Case No. 1:15-cv-1153 (AT) (BM)

Dear Judge Moses:

With Andrew Hoffmann, we represent Defendant Local 210 in the above-referenced matter.

Although trial has been postponed until at least April 2022 and defendant's three motions *in limine* are still pending, the parties met this week, virtually, to discuss the possibility of settlement. The parties are deadlocked and, in consideration of your time, wish to terminate the Court-supervised mediation process.

The parties want to express their appreciation to Your Honor for your efforts to date.

Respectfully submitted,

Kate M. Swearngen
