Re: *United States ex rel. Bassan v. Omnicare, Inc.*, No. 15-cv-04179 (CM) (VF)

Dear Judge Figueredo:

Under Your Honor's Individual Practices Rule I.g and the Protective Order in this action, we write to request the Court's permission to file conditionally under seal an unredacted version of Defendants' motion to compel (ECF 458), as well as the deposition transcript attached to the motion as Exhibit 1. Although the 30-day period to designate that transcript as confidential appears to have expired without the U.S. Attorney's Office making any designations, we currently are treating the transcript as confidential out of an abundance of caution.

Should the Office confirm that nothing in the transcript is confidential, we will file an unredacted version of the motion, along with the transcript, on the public docket. We otherwise contemporaneously have filed a redacted version of the motion on the public docket.

Respectfully submitted,

/s/ *David Randall J. Riskin*
