ORDER

ROBERT W. LEHRBURGER, United States Magistrate Judge.

This order addresses the parties' correspondence regarding depositions of Plaintiffs' four merits experts. (See Dkt. 452, 453.) The Court previously directed that experts shall be deposed once, not twice. Accordingly, even though Plaintiffs must apply for leave to serve rebuttal experts, depositions of their four merits experts must await service of rebuttal reports, if any, from them. Alternatively, Defendants may take earlier depositions of any of the four merits experts but forego opportunity for additional deposition of that already-deposed expert in the event Plaintiffs are granted leave to serve rebuttal from that expert.

SO ORDERED.

UNITED STATES MAGISTRATE JUDGE
