ORDER

PAUL A. ENGELMAYER, District Judge:

The Court today issued a decision granting defendant's motion for summary judgment on each of plaintiffs' breach-of-contract claims and denying plaintiffs' cross-motion for summary judgment. The decision leaves open only the following: plaintiffs' claim for breach of the implied covenant of good faith and fair dealing, and defendant's counterclaims.

The Court's intention is that this litigation move forward promptly toward completion. Accordingly, the Court directs counsel to meet and confer, and to file on the docket of this case by **Monday, January 11, 2021**, a joint letter setting forth in detail the parties' views as to the manner and timetable by which the outstanding issues are to be resolved. The Court will then issue an order either setting a schedule, including as warranted for trial, or, if further discussion is warranted, scheduling a prompt pretrial conference.

SO ORDERED.
