**MEMO ENDORSED**

***Centaurio Liquid Opportunities Master Fund, L.P. v. Bazzoni, et al.,***  
**No. 15-cv-9003 (LTS) (SN)**

Your Honor:

I write on behalf of Plaintiff Centaurio Liquid Opportunities Master Fund, L.P. (“Centaurio”) and Defendant CT Energia Ltd. (“CTEL” and, together with Centaurio, the “parties”) jointly, to request an adjournment of the pre-trial conference currently scheduled for July 22, 2022. *See* Order, ECF 333 (Apr. 18, 2022).

The parties have continued to progress in their settlement discussions since their last update to the court, dated April 15, 2022, ECF 332. Given the decision of the U.S. Treasury Office of Foreign Assets Control (“OFAC”) to designate certain of the defendants, Centaurio expects to file a license application with OFAC shortly seeking permission to enter into a settlement regarding this litigation.

The parties respectfully request an adjournment of the pre-trial conference to provide time for the OFAC review process and, if the license is granted, for carrying out the settlement. The parties propose extending the conference date from July 22, 2022, to August 26, 2022, or as soon thereafter as the Court deems appropriate.

Respectfully submitted,

/s/ Eric Brenner
