MEMO ENDORSED

Centaurus Liquid Opportunities Master Fund, L.P. v. Bazzoni, et al.,
No. 15-cv-9003 (LTS) (SN)

Your Honor:

I write on behalf of Plaintiff Centaurus Liquid Opportunities Master Fund, L.P. (“Centaurus”) and Defendant CT Energia Ltd. (“CTEL” and, together with Centaurus, the “parties”) jointly, to request an adjournment of the pre-trial conference currently scheduled for October 28, 2022. *See* Order, ECF 337 (September 6, 2022).

Since the parties’ last update to the Court, dated September 1, 2022, ECF 336, the parties have continued to make progress in settlement discussions. Given the decision of the U.S. Treasury Office of Foreign Assets Control (“OFAC”) to designate certain of the defendants, Centaurus expects to file a license application with OFAC this month seeking permission to enter into a settlement regarding this litigation.

The parties respectfully request an adjournment of the pre-trial conference to provide more time for the settlement process, including OFAC review and, if the license is granted, carrying out the settlement. The parties propose extending the conference date from October 28, 2022, to December 2, 2022, or as soon thereafter as the Court deems appropriate.

Respectfully submitted,

/s/ Eric Brenner
