Re: ***Edmondson, et al. v. RCI Hospitality Holdings, Inc. et al.***
Case No.: 16-cv-2242 (VEC)

Dear Judge Caproni:

We represent defendants RCI Hospitality Holdings, Inc., Peregrine Enterprises, Inc., RCI Dining Services (37th Street), Inc., and Eric Langan (collectively “Defendants”) in connection with the above-referenced lawsuit. We submit this letter jointly with Plaintiffs’ counsel to request a new briefing schedule for the parties’ planned motions for summary judgment.

As you may recall, at the parties’ request, Your Honor referred this matter to a settlement conference before Magistrate Judge Cave. The conference extended over two days in November. Although the parties negotiated in good faith, we were unable to bridge the gap and resolve the case. We therefore have no choice but to proceed with dispositive motion practice.

Counsel for the parties recently conferred and agreed to a briefing schedule that closely aligns to the filing time frames that were previously established and endorsed by Your Honor.

<u>Nature of Filing</u>	<u>Proposed Deadline</u>
Motions for summary judgment	February 12, 2021
Opposition to motions	April 9, 2021
Reply papers	May 14, 2021

The parties are available to participate in a pre-motion conference to the extent the Court wishes to discuss the foregoing. Otherwise, it would be greatly appreciated if Your Honor would endorse the within proposed briefing schedule for dispositive motion practice in this action.

Thank you for your kind consideration of this matter.

Respectfully submitted,

/s/Daniel J. Fox
