ORDER

16-CV-2362 (RA)(KNF)

Defendants City of New York, Sergeant Colby Wright, Sergeant Nicholas Macchio, Officer Michael Traverzo and Officer Krzysztof Frye (“City Defendants”) made a motion for summary judgment, Docket Entry No. 204. In support of the motion, the City defendants submitted the declaration of Colin McCann Ceriello (“Ceriello”) with exhibits, Docket Entry No. 207. The City defendants contend that Exhibit D to Ceriello’s declaration, Docket Entry No. 207-4, contains “relevant portions of the deposition of plaintiff Wilfredo Torres, dated November 8, 2017.” The City Defendants make citation to various deposition transcript pages in their Local Civil Rule 56.1 Statement of Undisputed Facts, which pages the Court does not find in Docket Entry No. 207-4, Exhibit D to Ceriello’s declaration.

Therefore, the City Defendants shall, on or before January 29 2020, file a copy of the following pages from the plaintiff’s November 8, 2017 deposition transcript: 68, 69, 70, 71, 73,

74, 75, 76, 77 and 106. A courtesy copy of these transcript pages shall be submitted to the Court's chambers on or before January 29, 2020. The City Defendants also assert that "an audio recording of the 911 call placed on April 28, 2016 after plaintiff left NYU Hospital is attached [to the Ceriello declaration] as Exhibit 'E'"; it is not. Therefore, on or before January 28, 2020, the City defendants shall file that audio recording and submit a courtesy copy of it to the Court's chambers.
