SOUTHERN DISTRICT OF NEW YORK

MAYAGÜEZ S.A.,

Plaintiff,

- against -

CITIGROUP, INC. and CITIBANK, N.A.,

Defendants.

ORDER

16 Civ. 6788 (PGG)

PAUL G. GARDEPHE, U.S.D.J.:

Trial in this matter is scheduled to begin on August 22, 2022. Plaintiff Mayaguez has requested that this Court “take judicial notice of data showing (1) the daily COP/USD currency exchange rates; (2) daily London white sugar prices; (3) monthly Colombian ethanol prices; and (4) monthly Colombian gasoline prices, over the period [of] January 2008 through March 2016.” (Pltf. Mot. (Dkt. No. 229) at 1)

Defendants oppose the application, arguing, *inter alia*, that Pietro Veronesi, Mayaguez’s expert, “neither identified [the sugar and gasoline prices] among the data he considered in his expert report nor offered opinions based on them.” (Def. Opp. (Dkt. No. 310) at 6 (citing PX 27 (Dkt. No. 243-36) at 43-44)) Mayaguez will respond to this argument **by 5:00 p.m. on August 17, 2022.**
