Re: Srisuwan Tangtiwatanapaibul, et. al. v. Tom & Toon, Inc., et.al
 US Dist. Ct., SDNY, Docket No. 17 Civ. 816 (LGS)(KHP)

SO ORDERED:

Katherine H Parker
HON. KATHARINE H. PARKER
UNITED STATES MAGISTRATE JUDGE

03/26/2020

Dear Magistrate Judge Parker:

I am Defendants' counsel in this matter. I am writing to request an adjournment of the conference call scheduled for tomorrow at 5:00 pm.

Since Sunday night I have been experiencing symptoms associated with the COVID-19 virus. Note that my four year old son was sick from March 14th through yesterday, with fever and mild respiratory symptoms, and obviously we kept him at home and monitored the situation in consultation with his pediatrician. Since he never developed symptoms of distress, we did not have him tested for COVID 19.

However, since Sunday night I have been experiencing symptoms that have worsened today. The symptoms began with a dry cough and sore throat, and today I developed a fever and also experience some fluid like feelings in my chest. In the event I do not improve overnight, I may need to seek medical attention tomorrow. I am 60 years old, so I am in somewhat of a risk category, although I do not have any co-morbidities or pre-existing conditions.

I have consulted with Plaintiffs' counsel and they do not object to this request.

Thanking your Honor for your attention, I am,

Respectfully,

Morton S. Minsley
