17 Civ. 9276 (PAE) (BCM)

ORDER

PAUL A. ENGELMAYER, District Judge:

The Court having been advised by the parties that all claims asserted herein have been settled in principle, today issued a 45-day order terminating this case. *See* Dkt. 443. As counsel are aware, prior to being informed of the settlement in principle, the Court had sought to schedule this case for a jury trial, including, if one could not be held during the first quarter of 2021, during the week of May 10, 2021. The Court will not withdraw its request for a jury trial during that week unless and until either the parties inform the Court that they have reached a final settlement or 45 days have expired since today's order without application to restore this case to the Court's active docket. Counsel and the parties are therefore directed to maintain their availability to try the case that week in case such should prove necessary.

SO ORDERED.
