**ORDER****ROBERT W. LEHRBURGER, United States Magistrate Judge.**

Following multiple extensions, the deadline for the parties to submit a proposed settlement agreement and fairness letter expired as of October 15, 2019. Neither party has done anything to advance the ball since then. Accordingly, by February 22, 2021, Plaintiff shall show cause in writing why this case should not be dismissed for failure to prosecute. Absent a response, the case will be dismissed.

SO ORDERED.
