Re: Abdelsayed v. NYU, Case No. 1:17-cv-09606-VSB-KHP

The Honorable Katharine H. Parker:

Plaintiff George Abdelsayed and Defendants New York University, NYU Langone Medical Center, NYU School of Medicine, and NYU Langone Hospital-Brooklyn f/k/a NYU Lutheran Medical Center submit this joint letter to provide the Court with a status update on expert discovery in lieu of the status conference scheduled for January 21, 2020. The parties are once again happy to report that expert discovery is going smoothly and that there are no expert discovery issues between the parties that require a Court ruling. The deposition of Dr. Steven Shapiro (Plaintiff's damages expert) took place on December 12, 2019, and the depositions of Dr. Susan Williams (Plaintiff's medical expert) and Dr. Charlie Diamond (Defendants' damages expert) are scheduled for January 17, 2020, and January 31, 2020, respectively.

The expert discovery deadline is January 31, 2020.

We understand the Court may still require an appearance, but the parties wish to update the Court on their progress.

Respectfully submitted,

/s/ Lauren Goldberg
