Democrats have gone all Scientology against @WikiLeaks. We read the DNC lawsuit. Its primary claim against @WikiLeaks is that we published their "trade secrets". Scientology infamously tried this trick when we published their secret bibles. Didn't work out well for them.

173. WikiLeaks and Assange also committed the acts described above with the intent to convert Plaintiff's trade secrets, which are related to a product or service used in or intended for use in interstate or foreign commerce, to the economic benefit of others besides Plaintiff. Each unauthorized release constitutes a separate act of theft of trade secrets.
