Civil Action No. 1:18-cv-03501

DEMOCRATIC NATIONAL COMMITTEE,

Racketeer Influenced and  
Corrupt Organization Act (RICO)

Plaintiff,

v.

Judge John G. Koeltl

RUSSIAN FEDERATION, et al;  
Defendants.

Addendum Sixteen to Writ of Mandamus and Prohibition  
Who is Nathan Foreman?

Nathan Foreman is a young black man serving a life sentence without parole and the son of the one person that has stood by me. Nathan's conviction was won because of criminal prosecutor misconduct by Orleans Parish District Attorney Leon Cannazarro. (Was Nathan maliciously prosecuted because of me?) (Young black men in New Orleans don't stand a chance.)

Nathan's Mom is Udell Murphy, a proud woman who loves her son. Udell is an uneducated black woman from Woodville Mississippi that cleans toilets for a living. She is a single mother that raised her son on her own, purchased a home and sent him to private school. Udell did everything she could to protect Nathan but in New Orleans that is a herculean task for a black mother and most mothers fail.

An uneducated black woman, who cleans toilets for a living, stood by me while no one else did. I promised her that I would help to free Nathan and I intend on keeping that promise. Every single person in this world is important to me. (Udell was afraid of swimming so she took swimming lessons.)

I have attached the court docket for my false arrest and a Memorandum that discusses Cannazarro's criminal conduct. This is just a drop in the bucket. I was never charged with a crime. Look carefully at the docket.

The attached eleven Addendum Sixteen to Writ of Mandamus and Prohibition were filed in the following cases:

1. United States v. Boucher (1-18-cr-00004)  
Judge Marianne O. Battani
2. United States v. Manafort (1:18-cr-00083)  
Senior Judge T.S. Ellis, III
3. Manafort v. United States (1:18-cv-00011)

Judge Amy Berman Jackson

4. United States v. Flynn (1:17-cr-00232)  
Judge Emmet G. Sullivan
5. United States v. Papadopoulos (1:17-cr-00182)  
Judge Randolph Daniel Moss
6. United States v. Manafort (1:17-cr-00201)  
Judge Amy Berman Jackson
7. United States v. Internet Research Agency LLC (1:18-cr-00032)  
Judge Dabney L. Friedrich
8. United States v. Van Der Zwann (1:18-cr-00031)

9. Deepwater Horizon v. BP Exploration & Production (16-30918)

10. Democratic National Committee v. Russian Federation, et al (1:18-cv-5301)

Memorandum

Index (A drop in the bucket) of documents that show the criminal enterprise of Louis (Lee) Madere and the criminal participation of District Attorney Leon Cannazarro.

Leon Cannazarro protected Lee Madere because of the Federal Cover-Up of the Danziger Bridge Execution. Madere was the Louisiana Grand Jury Forman.

Madere died or entered the Federal Witness Protection program during the weekend of October 15<sup>th</sup>, 2010. Rayes first contacted and threatened me on October 14<sup>th</sup>, 2010. I received notice from three sources that he died on three different days. Agent Rayes called me on Monday, October 18<sup>th</sup>, 2010 and told me that the Ochsner General Counsel notified him that Madere died on Sunday. Very odd. Since when does a General Counsel notify an individual FBI Agent? The head of HR for Ochsner, Major Bill Ramsey USMC, provided me with information that cast's doubt on Madere's death. It is also my understanding that Madere consumed no pharmaceutical products. Not one aspirin. Madere defaulted on all loans and taxes. The loss totals more than \$4,000,000.00. All of it because of fraud.

1. E-mail from Alex Pecot. This is where it started. Madere loaned Pecot money at the closing table. This loan was illegal and is mortgage fraud. Madere was broke and needed the money. Pecot got 100% financing with a first and second and never made a mortgage payment or condominium fee payment. The condominium went through foreclosure and sold for \$60,000.00 less that the original purchase price. Our condominium lost \$60,000.00 is value as well. Pages 1 – 4.
2. Copy of the peace bond that Madere violated. Page 5.
3. Motion asking the court to charge Madere with a felony. Cannazarro protected Madere and said "No". The case was dismissed. Pages 6 – 9.
4. More crimes by Madere and more protection by Cannazarro. Page 10.
5. Collateral Mortgages at 20 and 25% interest. There are seven total. The interest is more than the principle. The collateral is the Les Carillons Condominium Association property, the whole property. The mortgages predate and postdate our purchase. Pages 11 – 21.
6. American Express lawsuit. Pages 22 – 24.
7. Collateral mortgage from Gulf Coast. It is my understanding that Whitney has the mortgage. Madere property is in foreclosure and his wife has walked away. Page 25.
8. I wrote this when letter Starbucks was in town and sent it to many people. Mayor Ray Nagin did nothing because of the protection that Madere was receiving. I have worked out with Nagin at the Hilton Health club since Katrina. Page 26.

Nagin had his blood and DNA taken so that the Federal Government could track him for the Katrina Virus. Did the Federal Government take your blood and DNA? Are you being given preventative medical treatment?
