Re: *Shelby v. Pliler*, No. 19 Civ. 2020 (VSB) (SN)

Dear Judge Broderick:

This Office represents Respondent in connection with the above-referenced action. We write in response to the Court's Order (ECF No. 118), regarding whether there have been any substantiated claims of sexual misconduct committed by Petitioner since Petitioner's transfer to a female facility.

There have been no substantiated claims of sexual misconduct committed by Petitioner since Petitioner's transfer to a female facility. In the first half of 2023, while Petitioner was incarcerated at Federal Medical Center Carswell, a medical facility for female inmates in Fort Worth, Texas, three allegations under the Prison Rape Elimination Act were made against Petitioner, each claiming that she made inappropriate sexual comments and/or gestures towards another inmate. The Bureau of Prisons investigated all three claims and found them to be unsubstantiated.

We thank the Court for its attention to this matter.

Respectfully,

DAMIAN WILLIAMS
United States Attorney for the
Southern District of New York
